

Carbon emission footprint spatial network in 2000

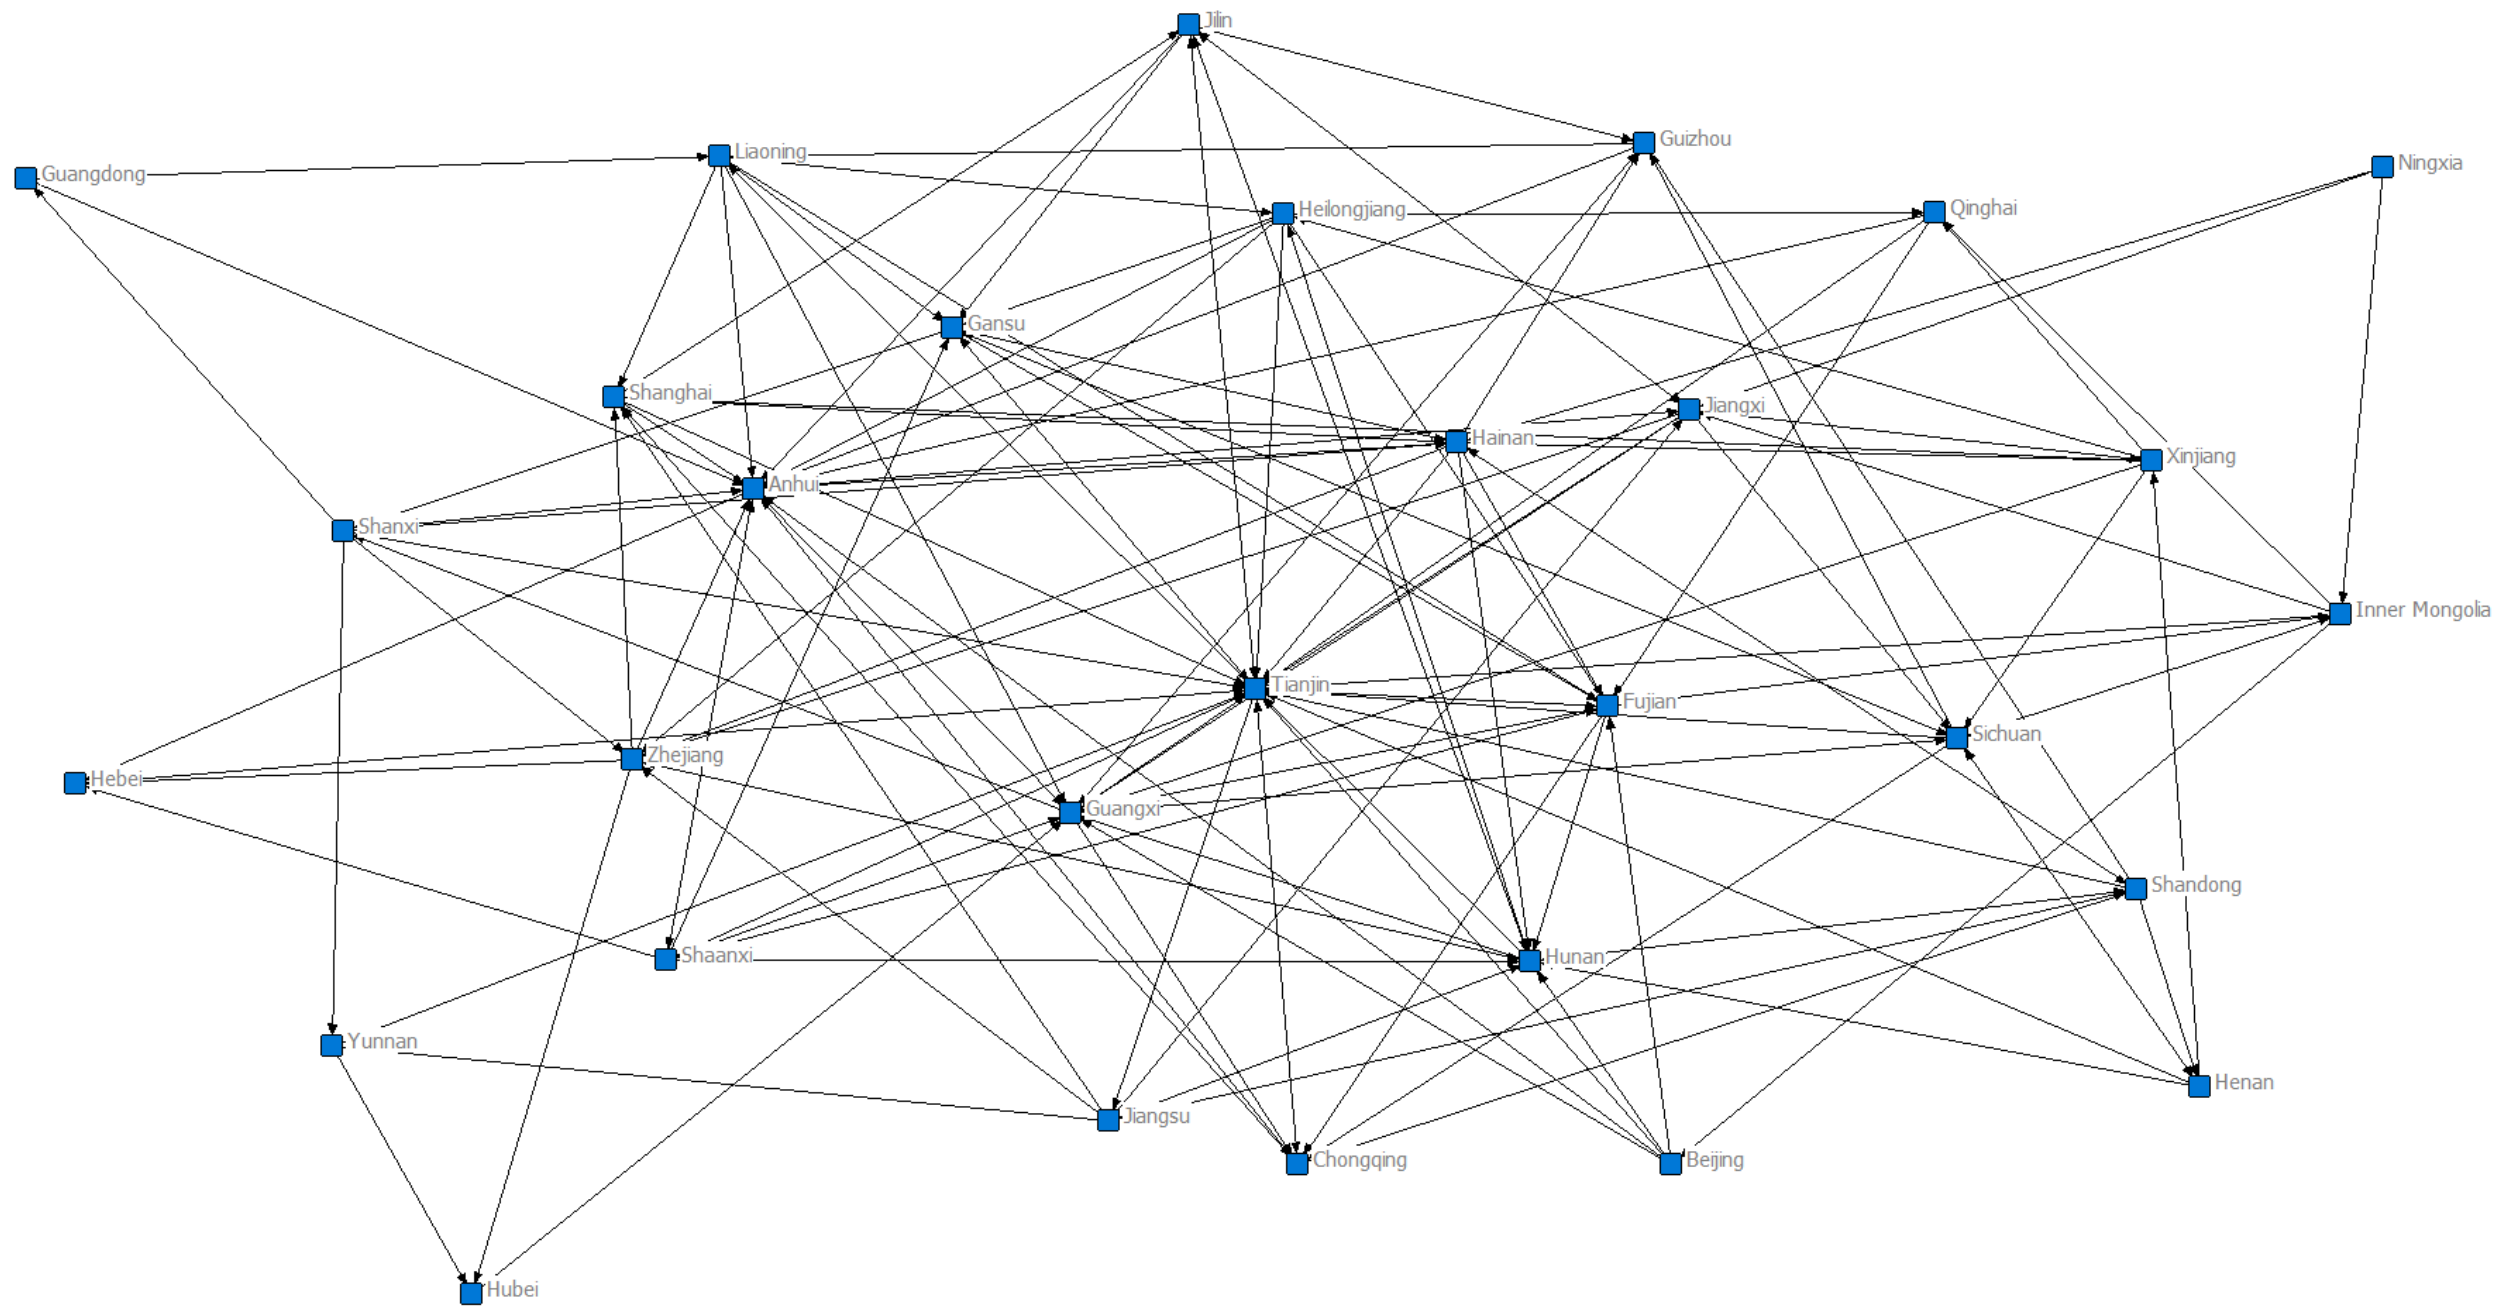

Carbon emission footprint spatial network in 2001

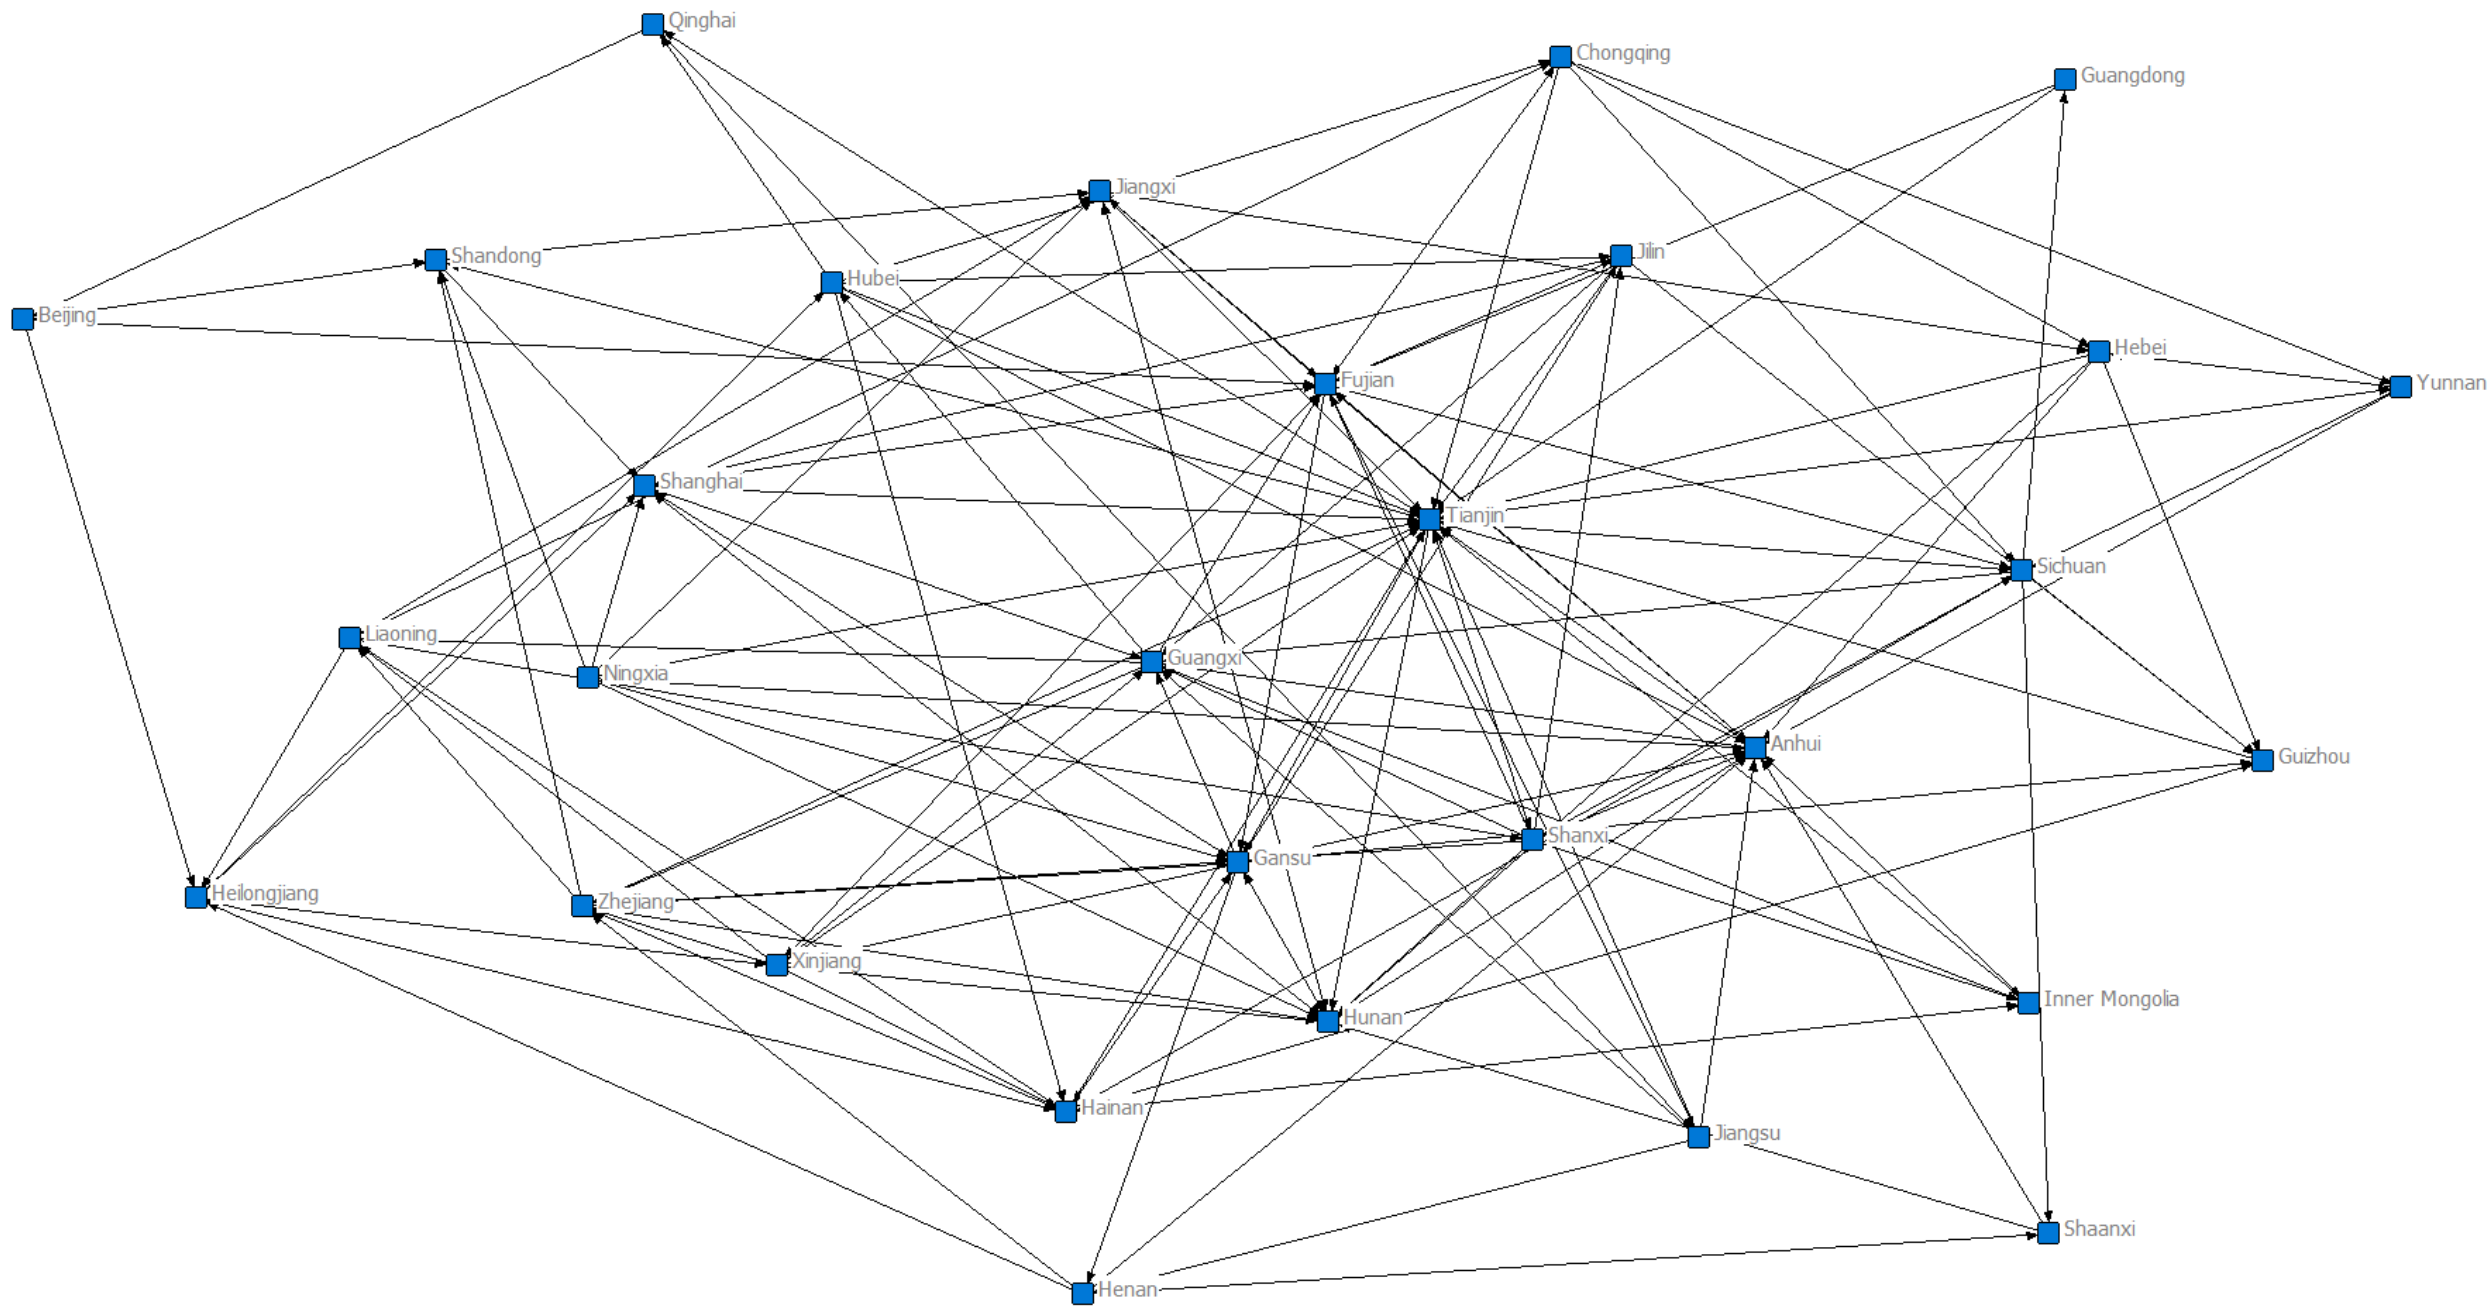

Carbon emission footprint spatial network in 2002

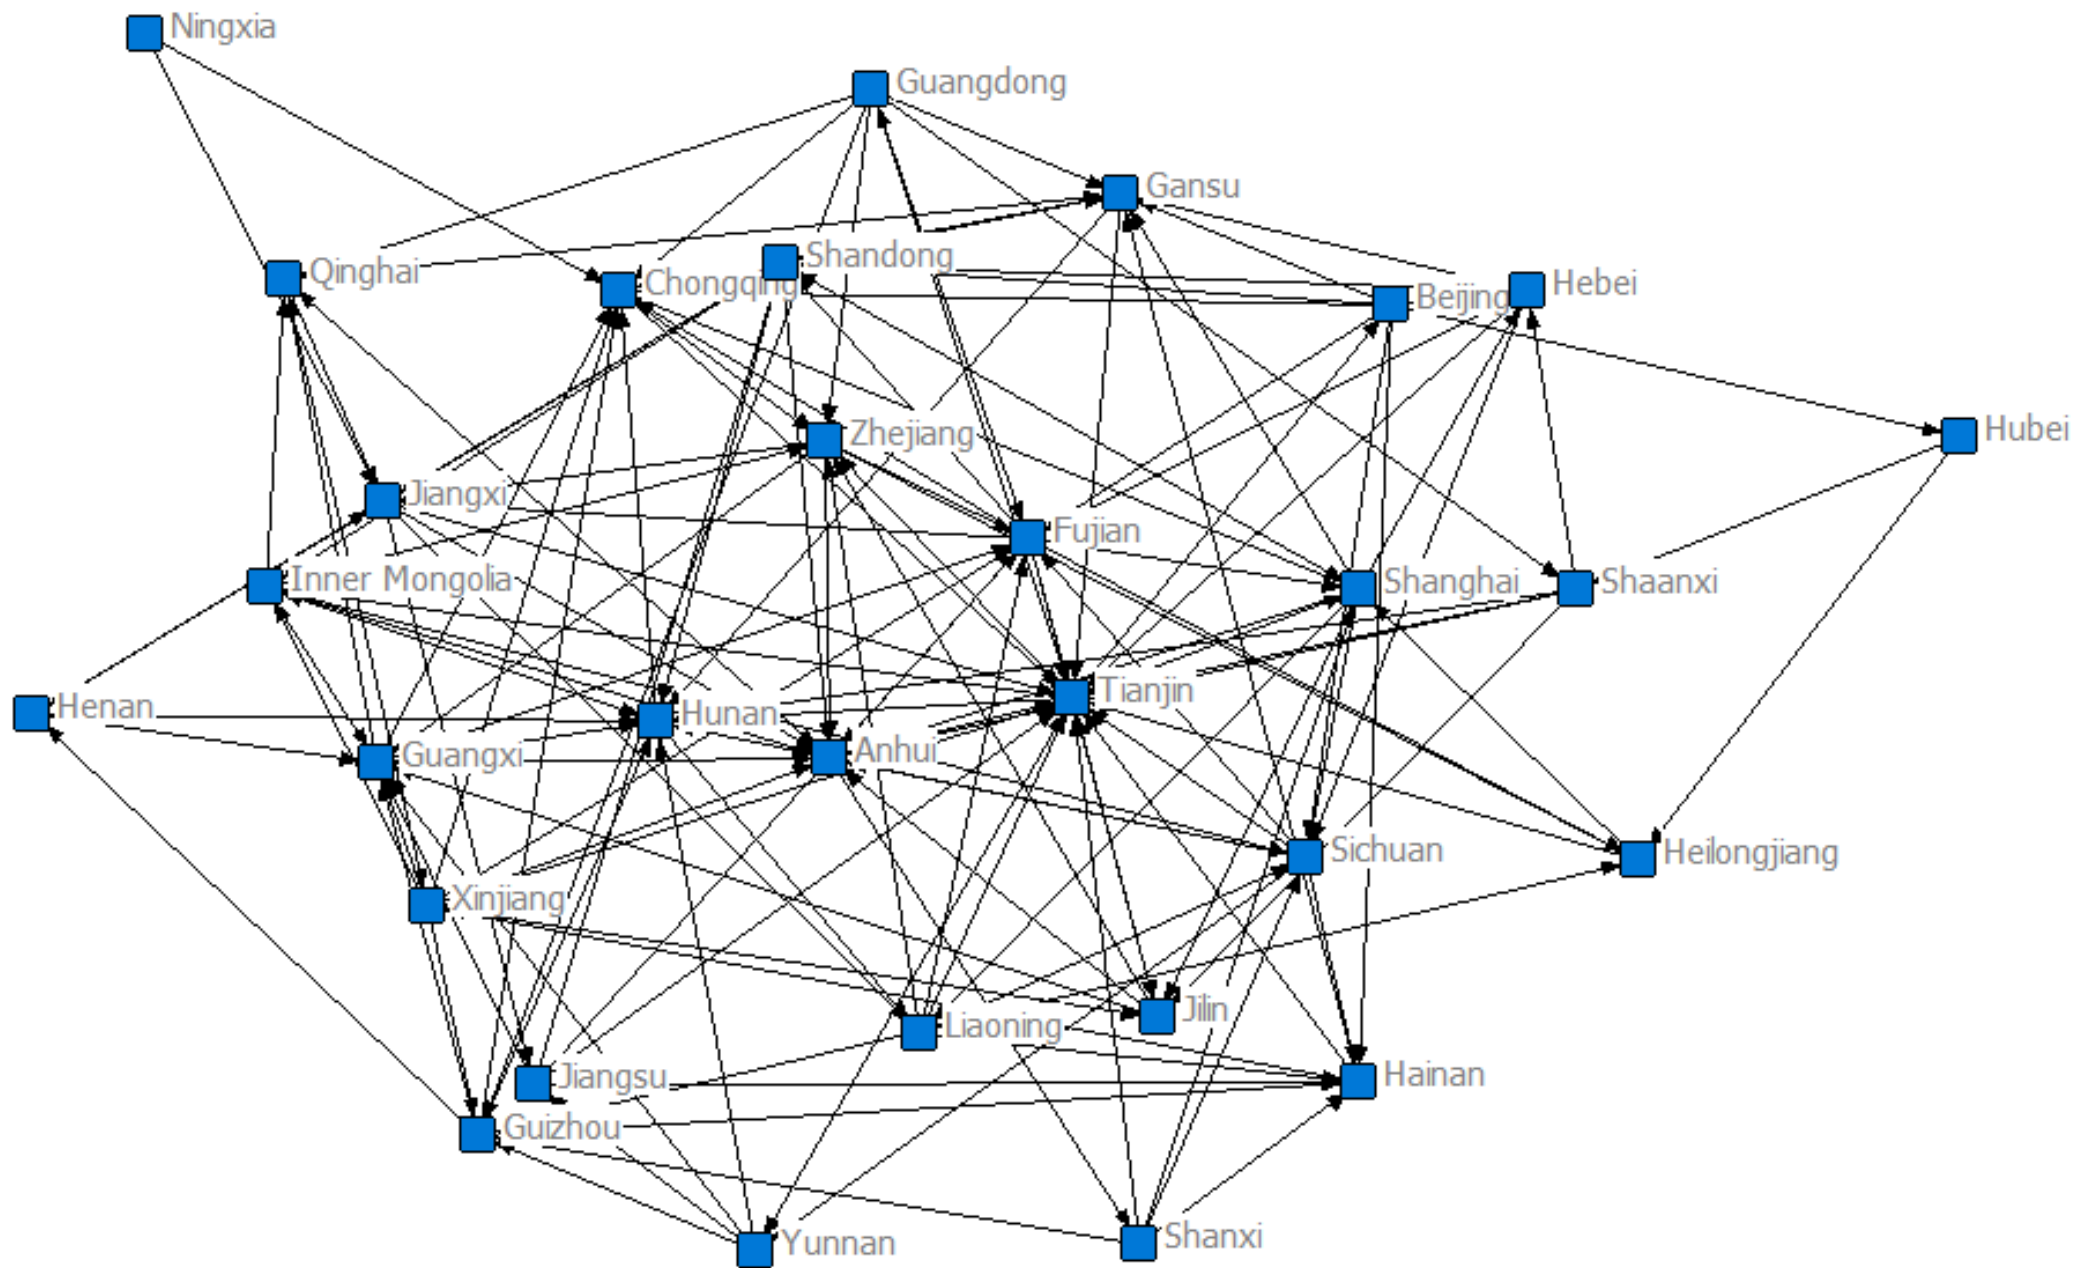

Carbon emission footprint spatial network in 2003

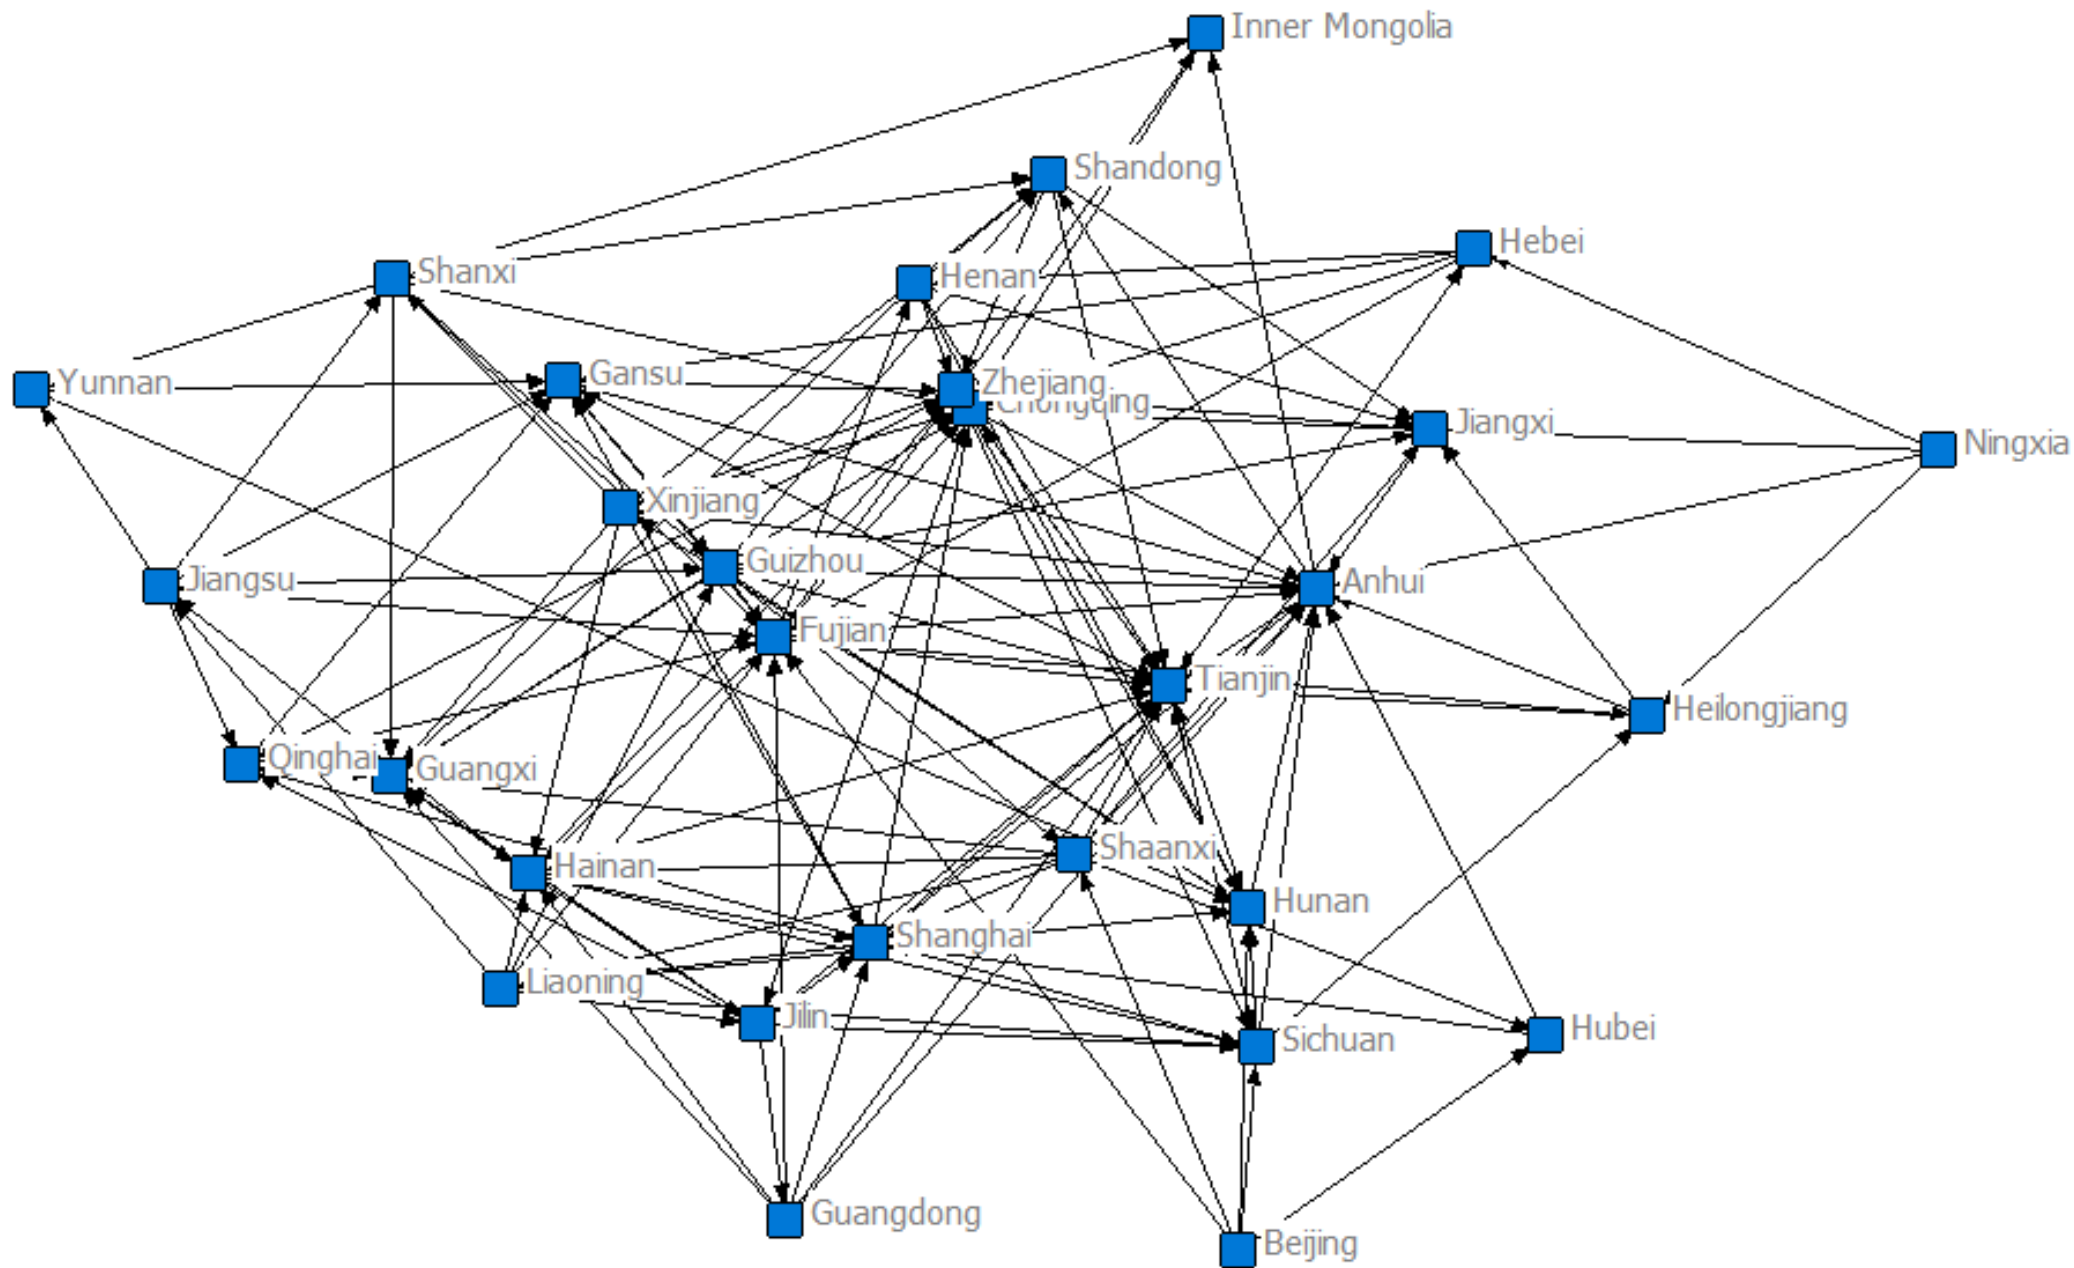

Carbon emission footprint spatial network in 2004

Carbon emission footprint spatial network in 2005

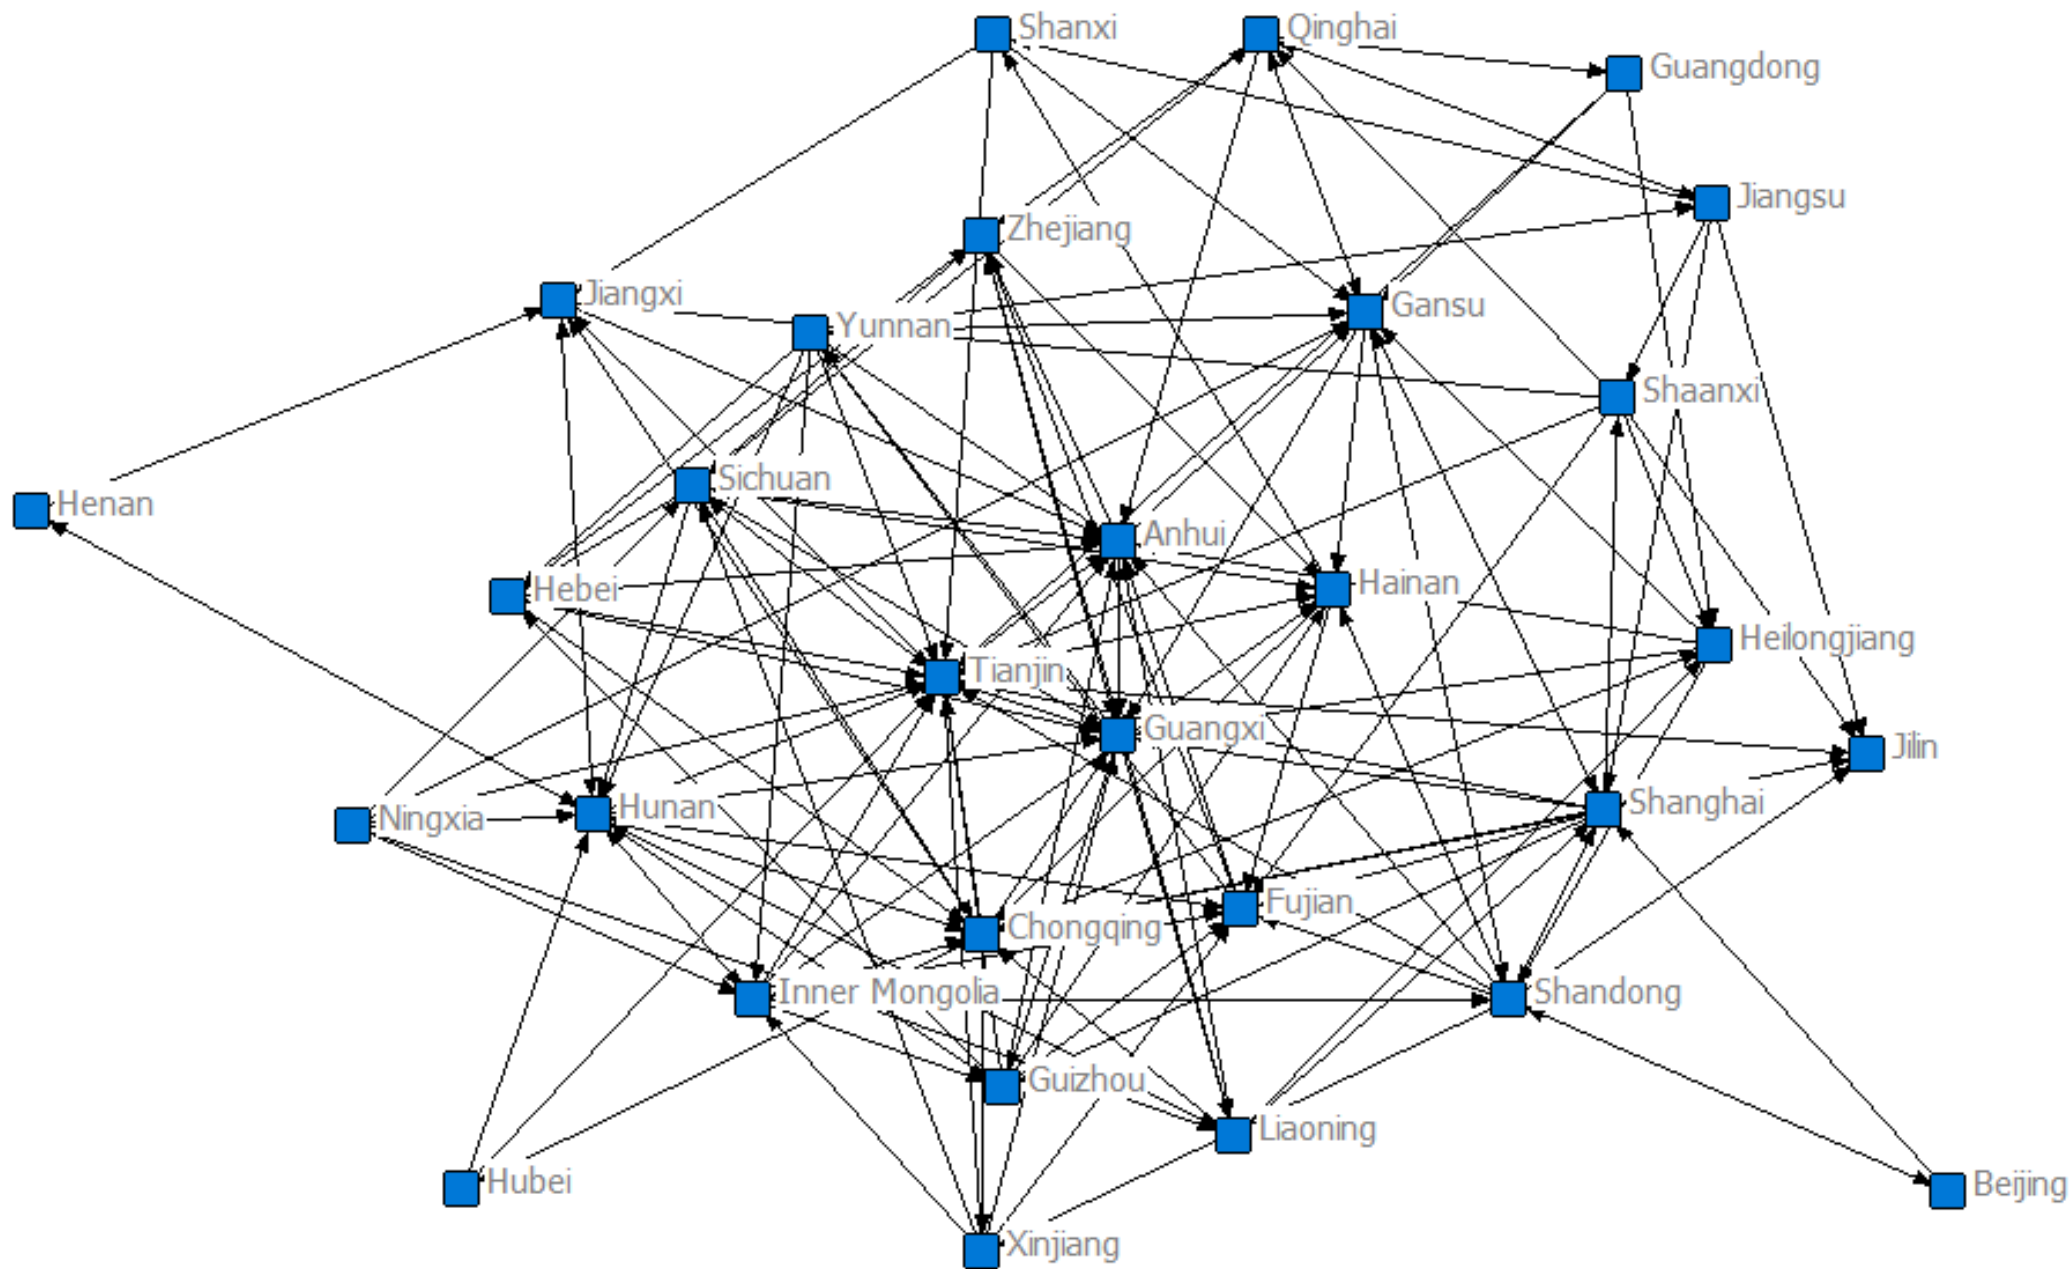

Carbon emission footprint spatial network in 2006

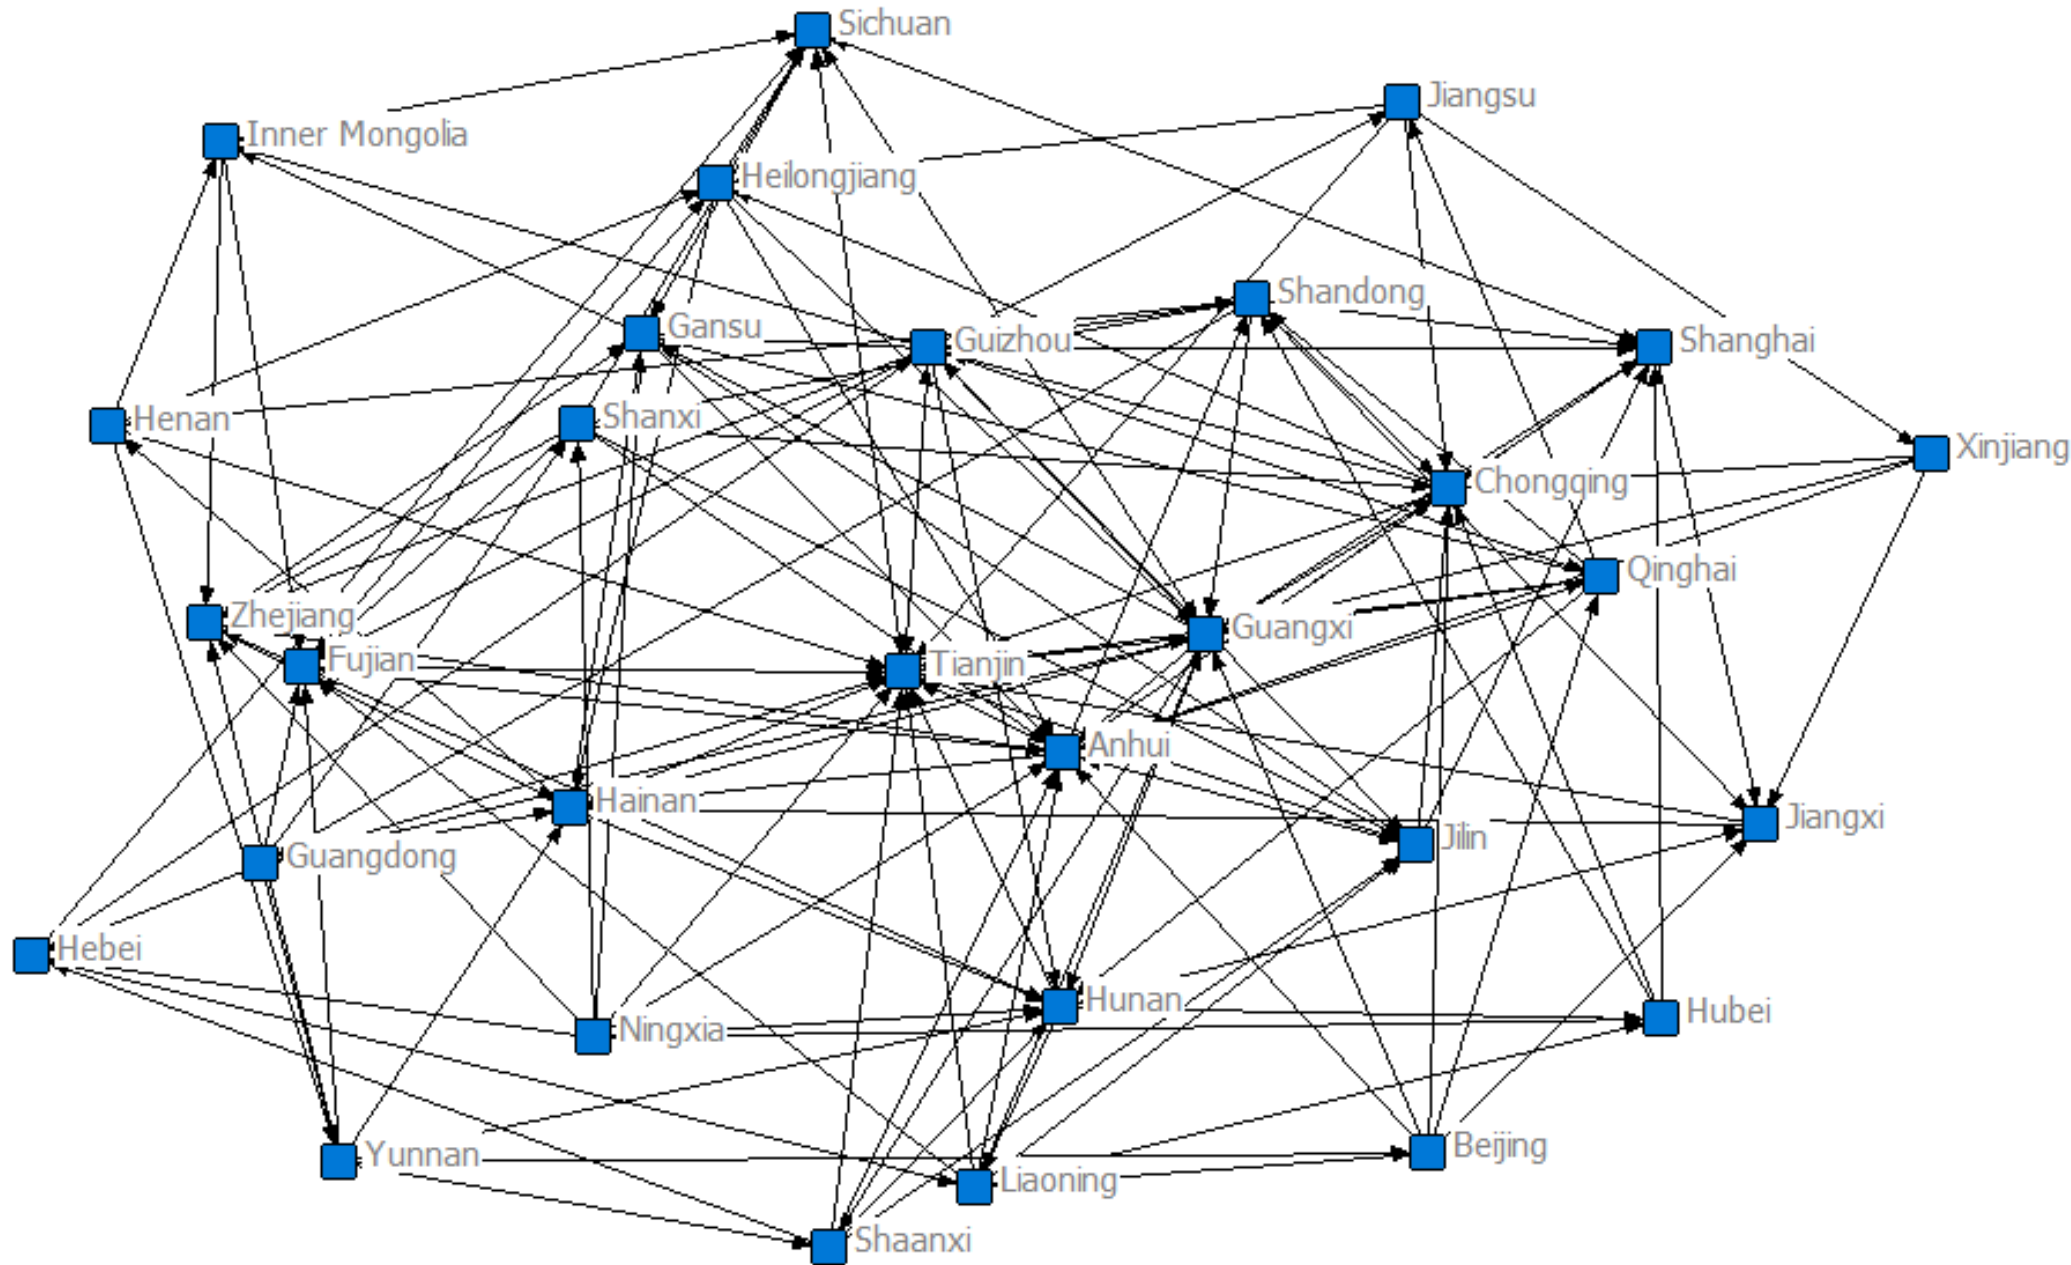

Carbon emission footprint spatial network in 2007

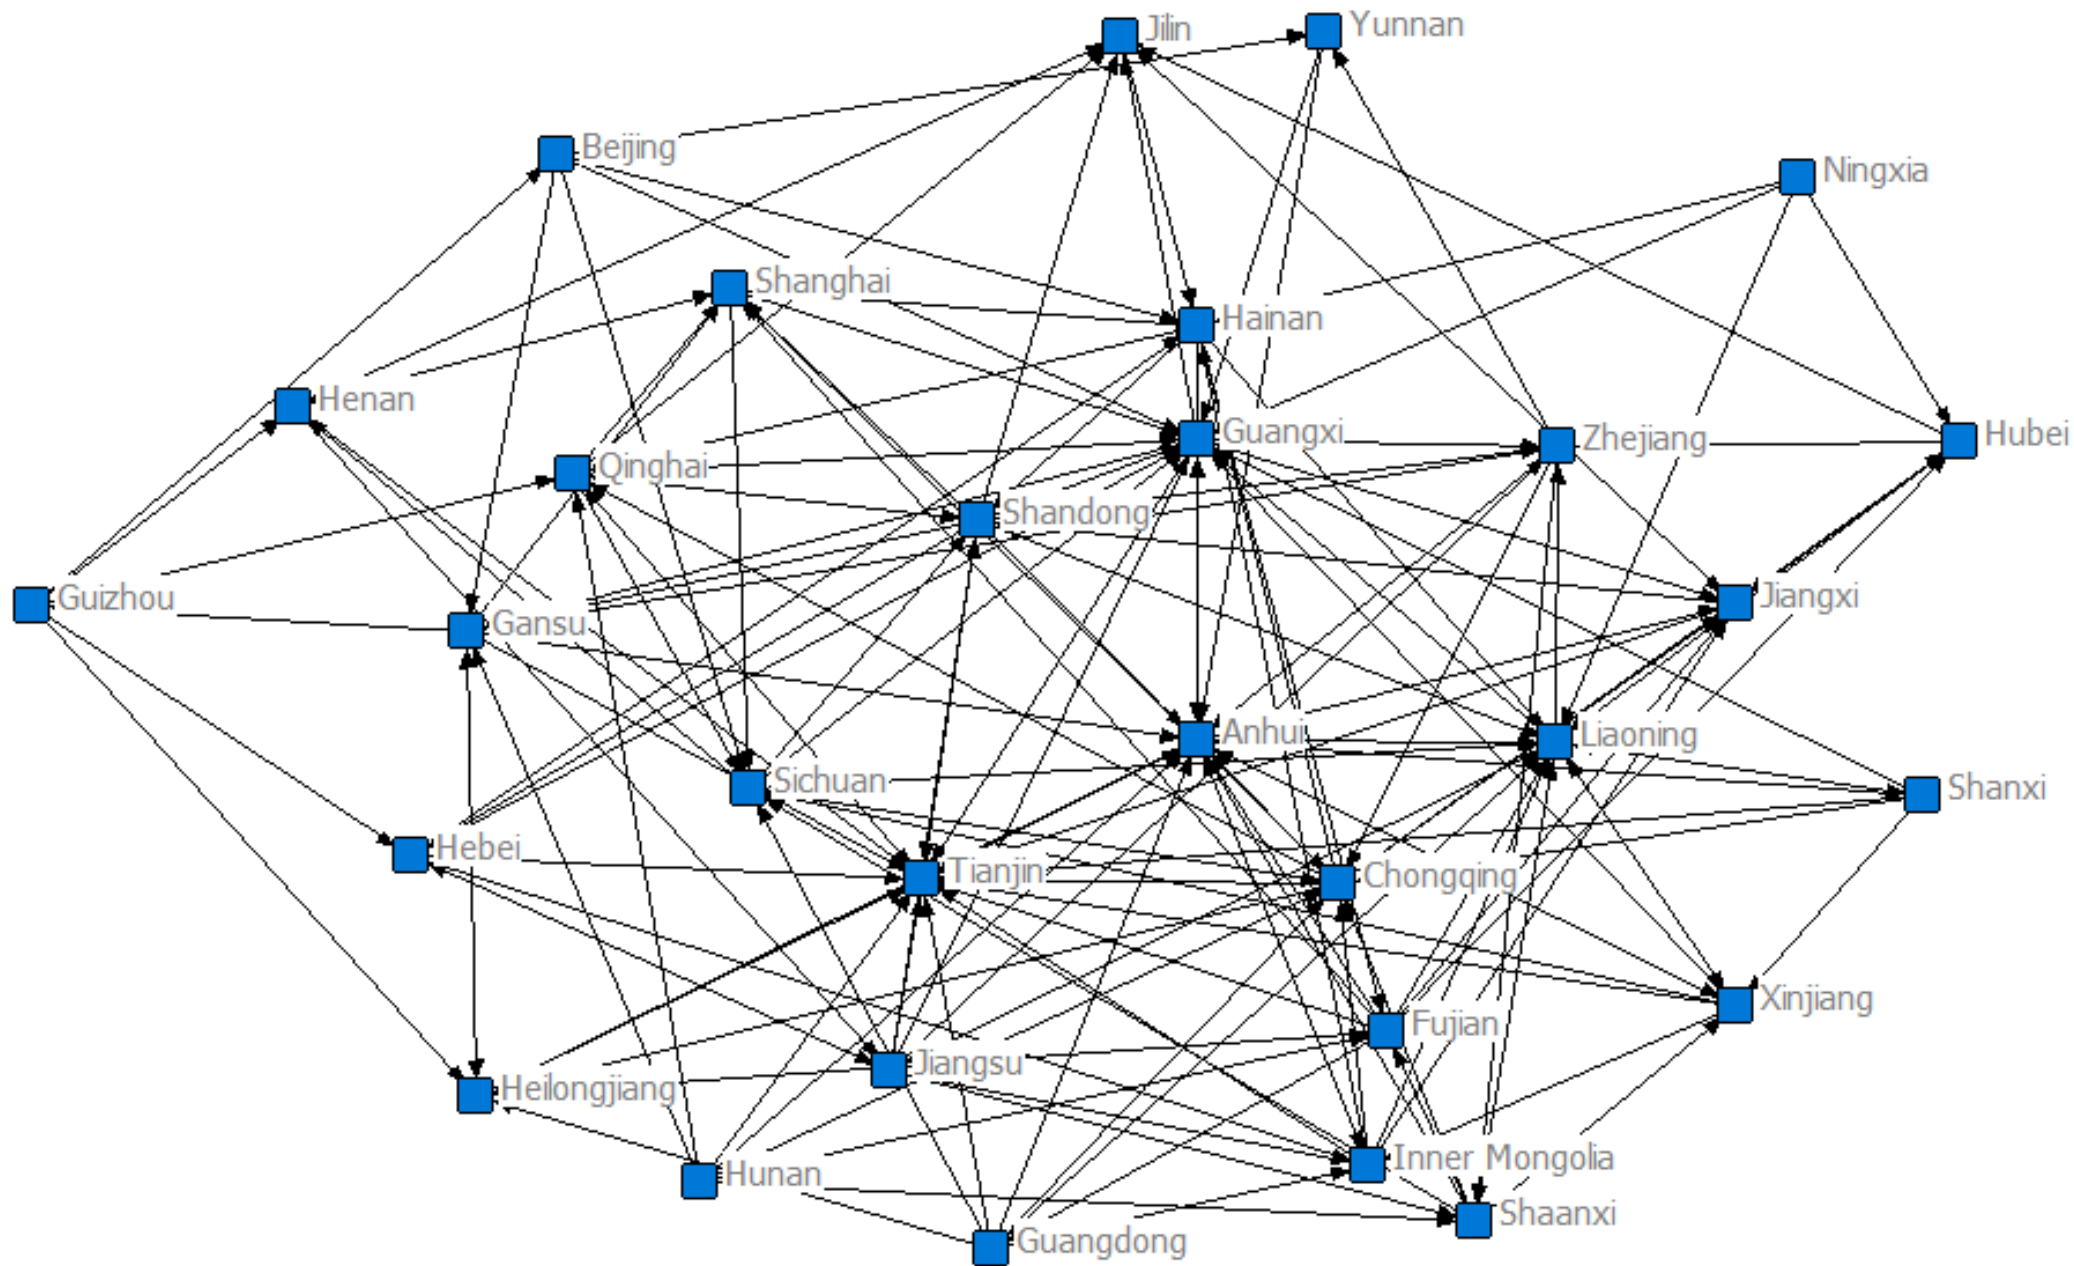

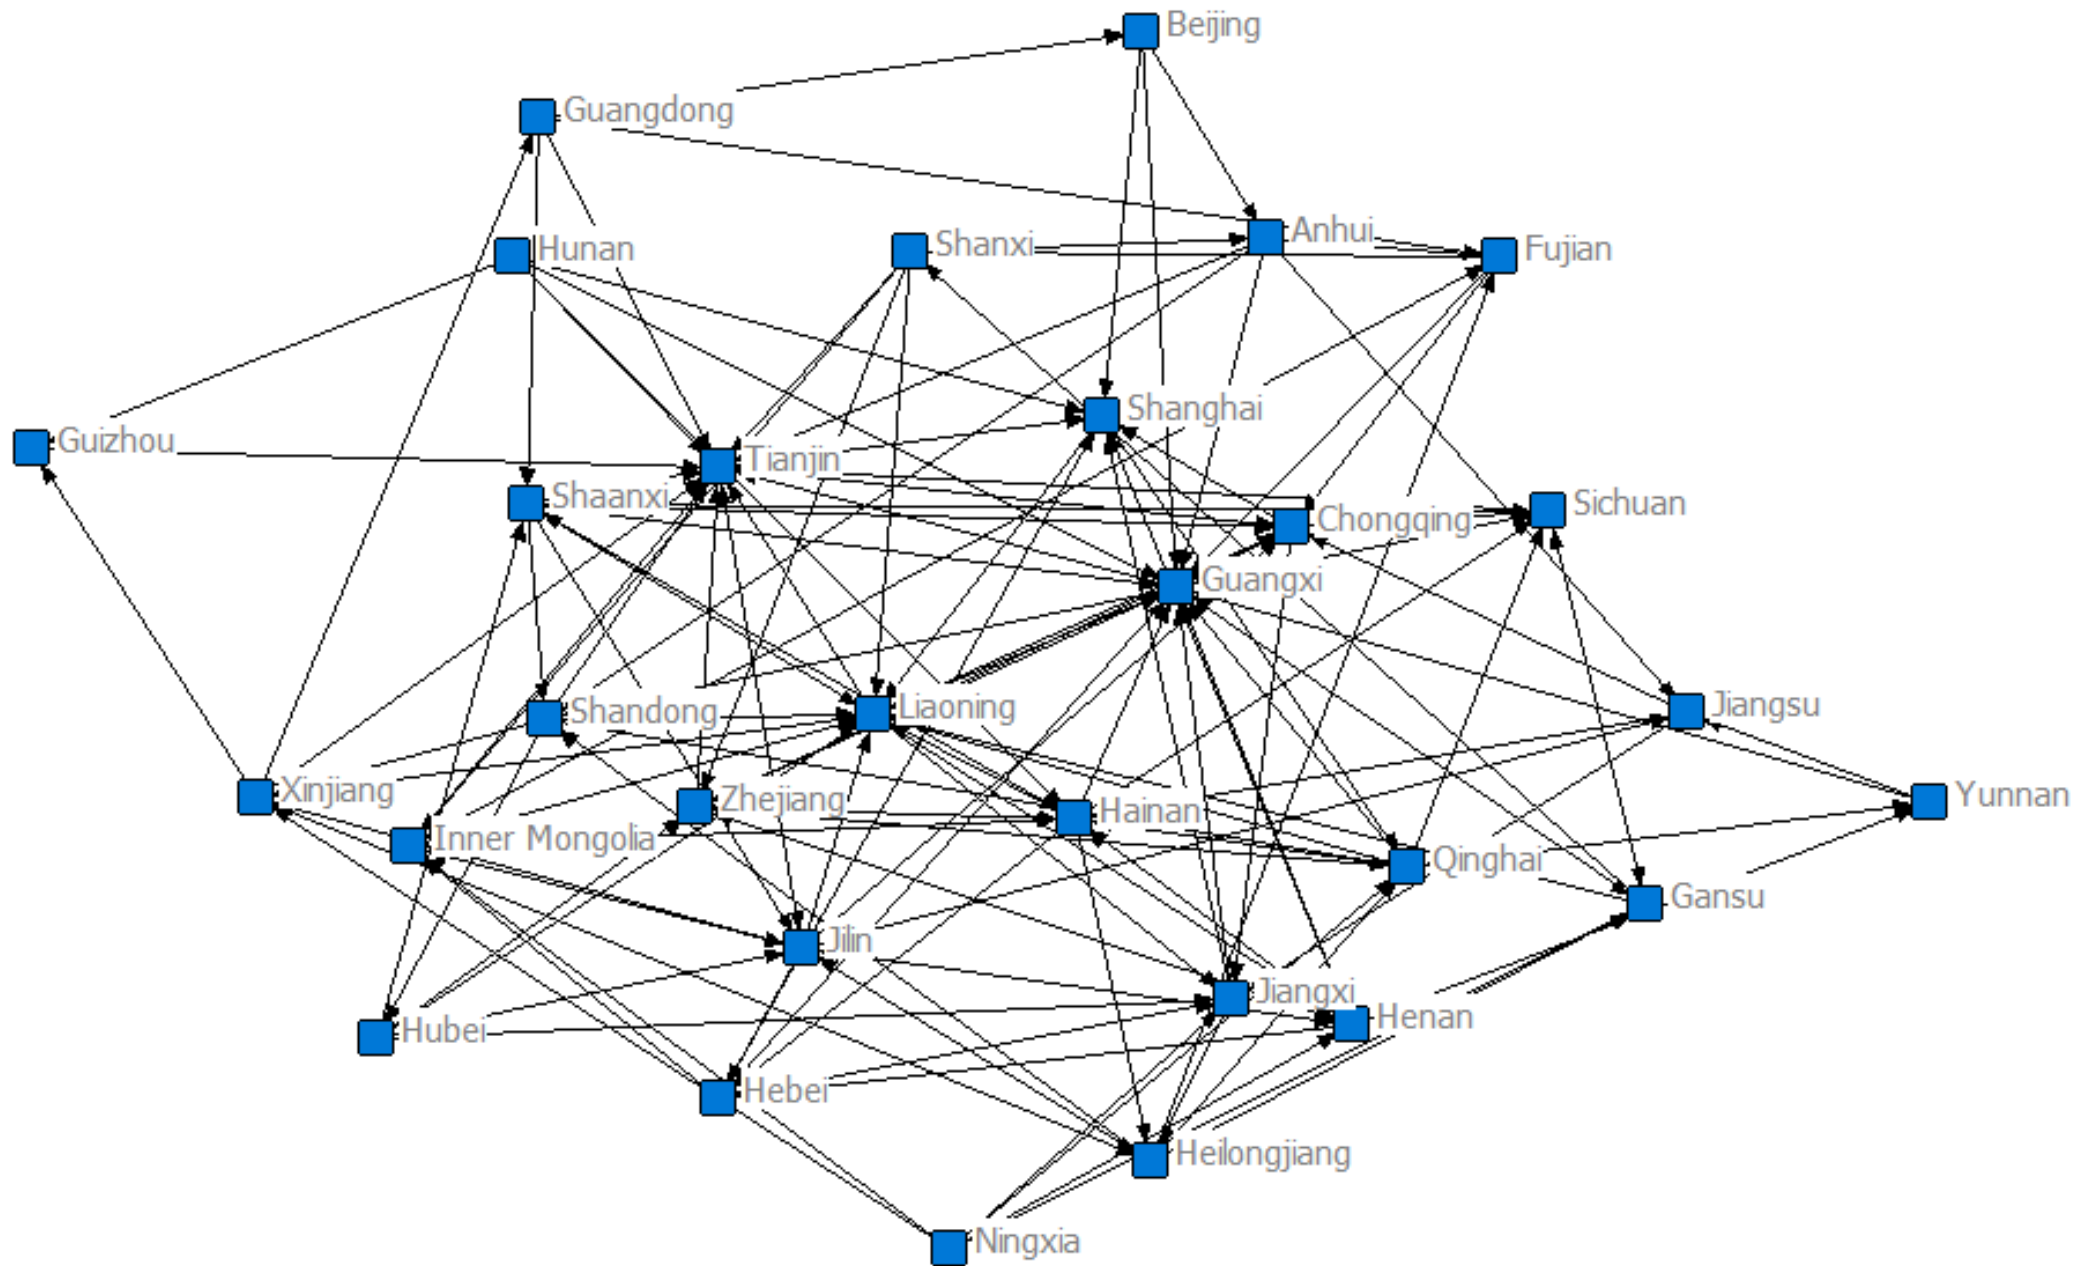

Carbon emission footprint spatial network in 2008

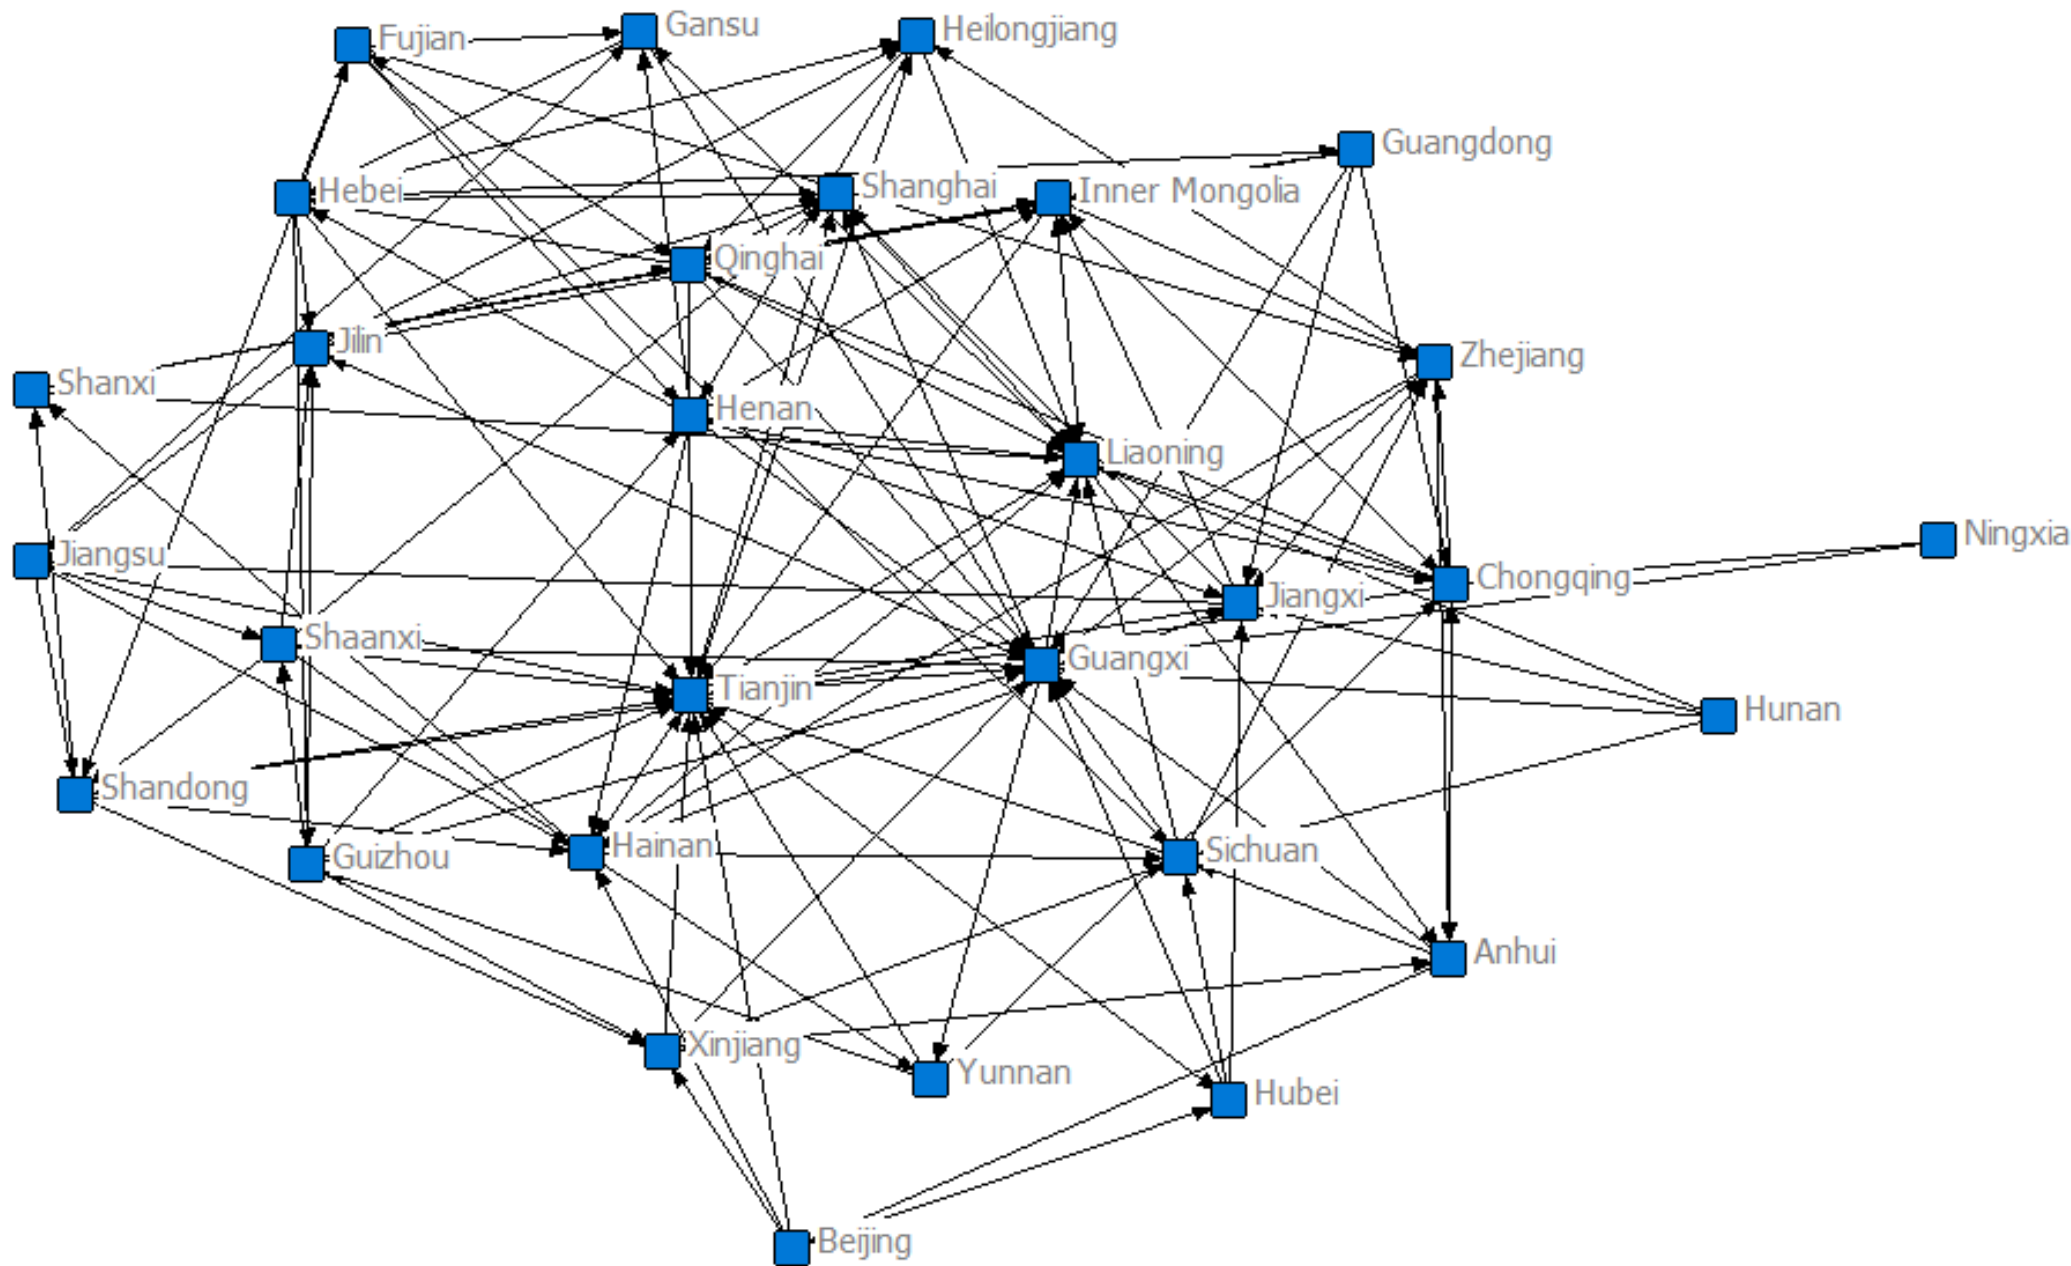

Carbon emission footprint spatial network in 2009

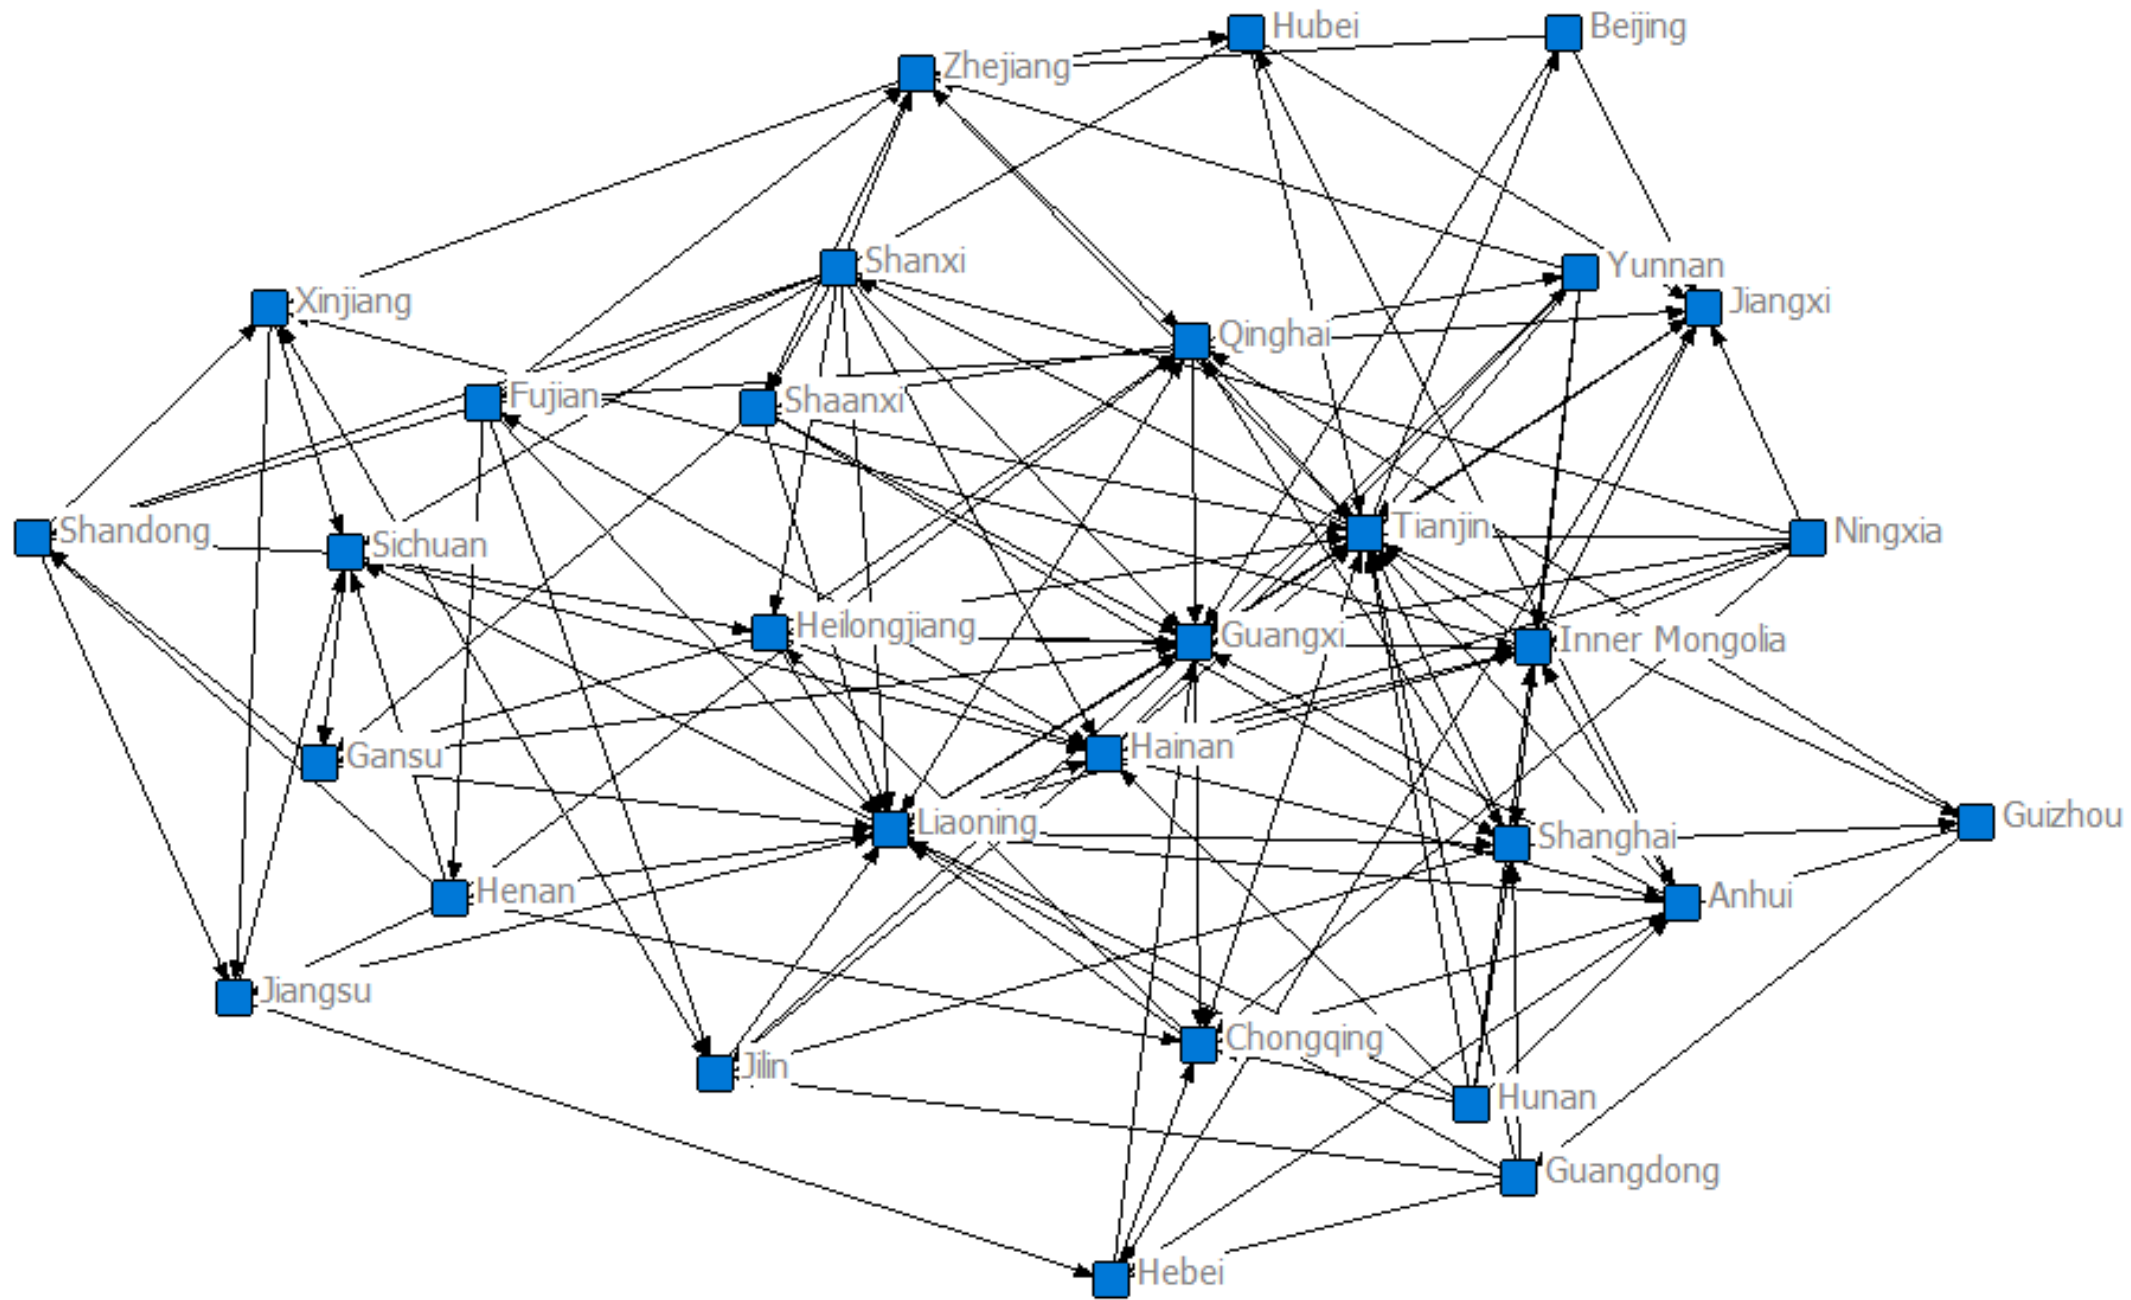

Carbon emission footprint spatial network in 2010

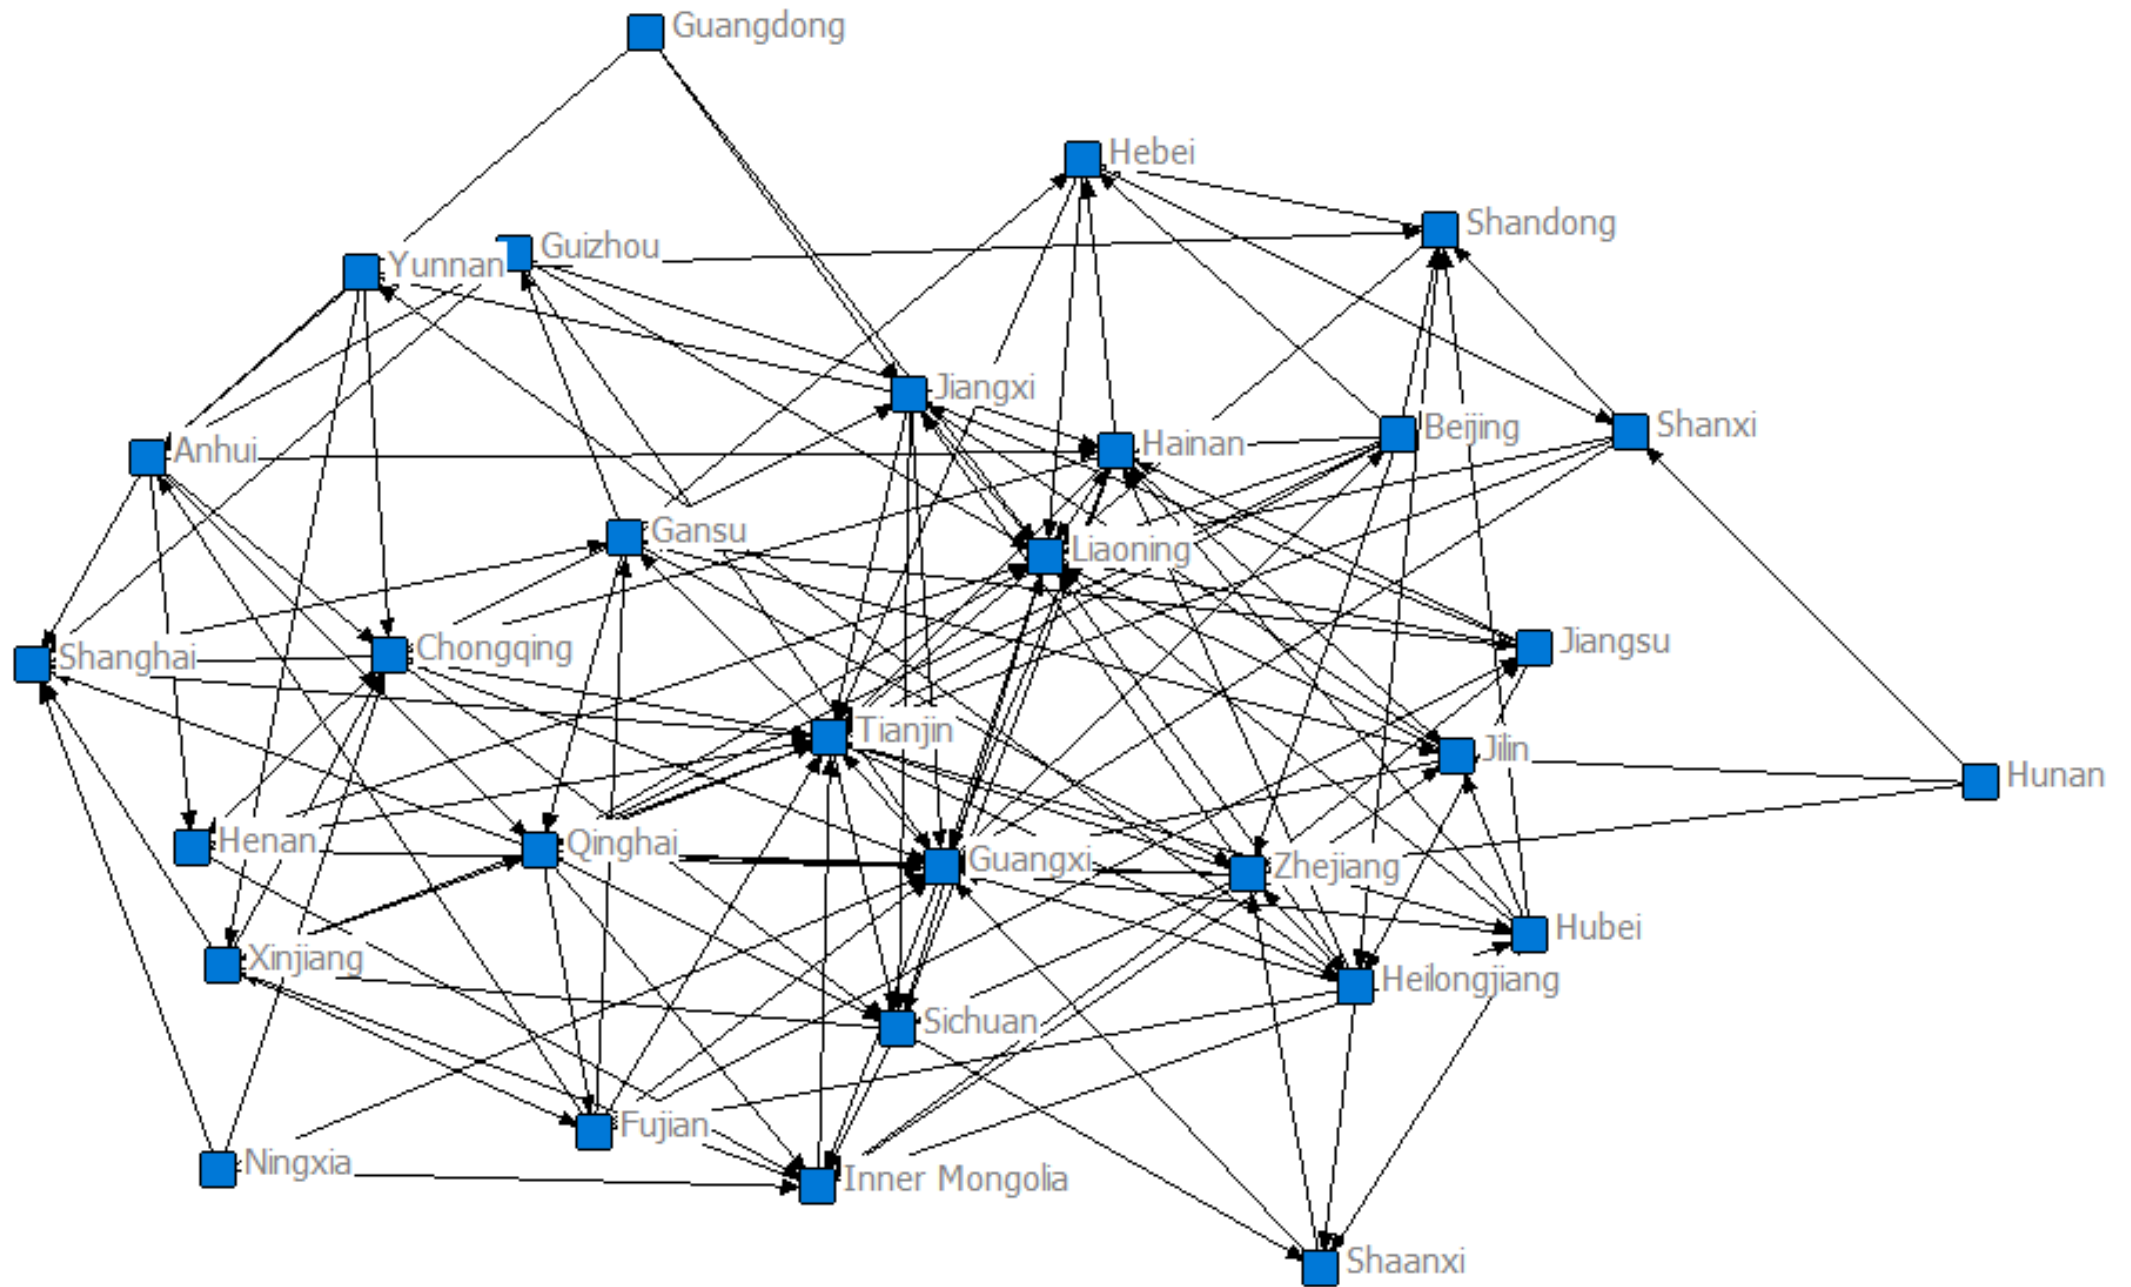

Carbon emission footprint spatial network in 2011

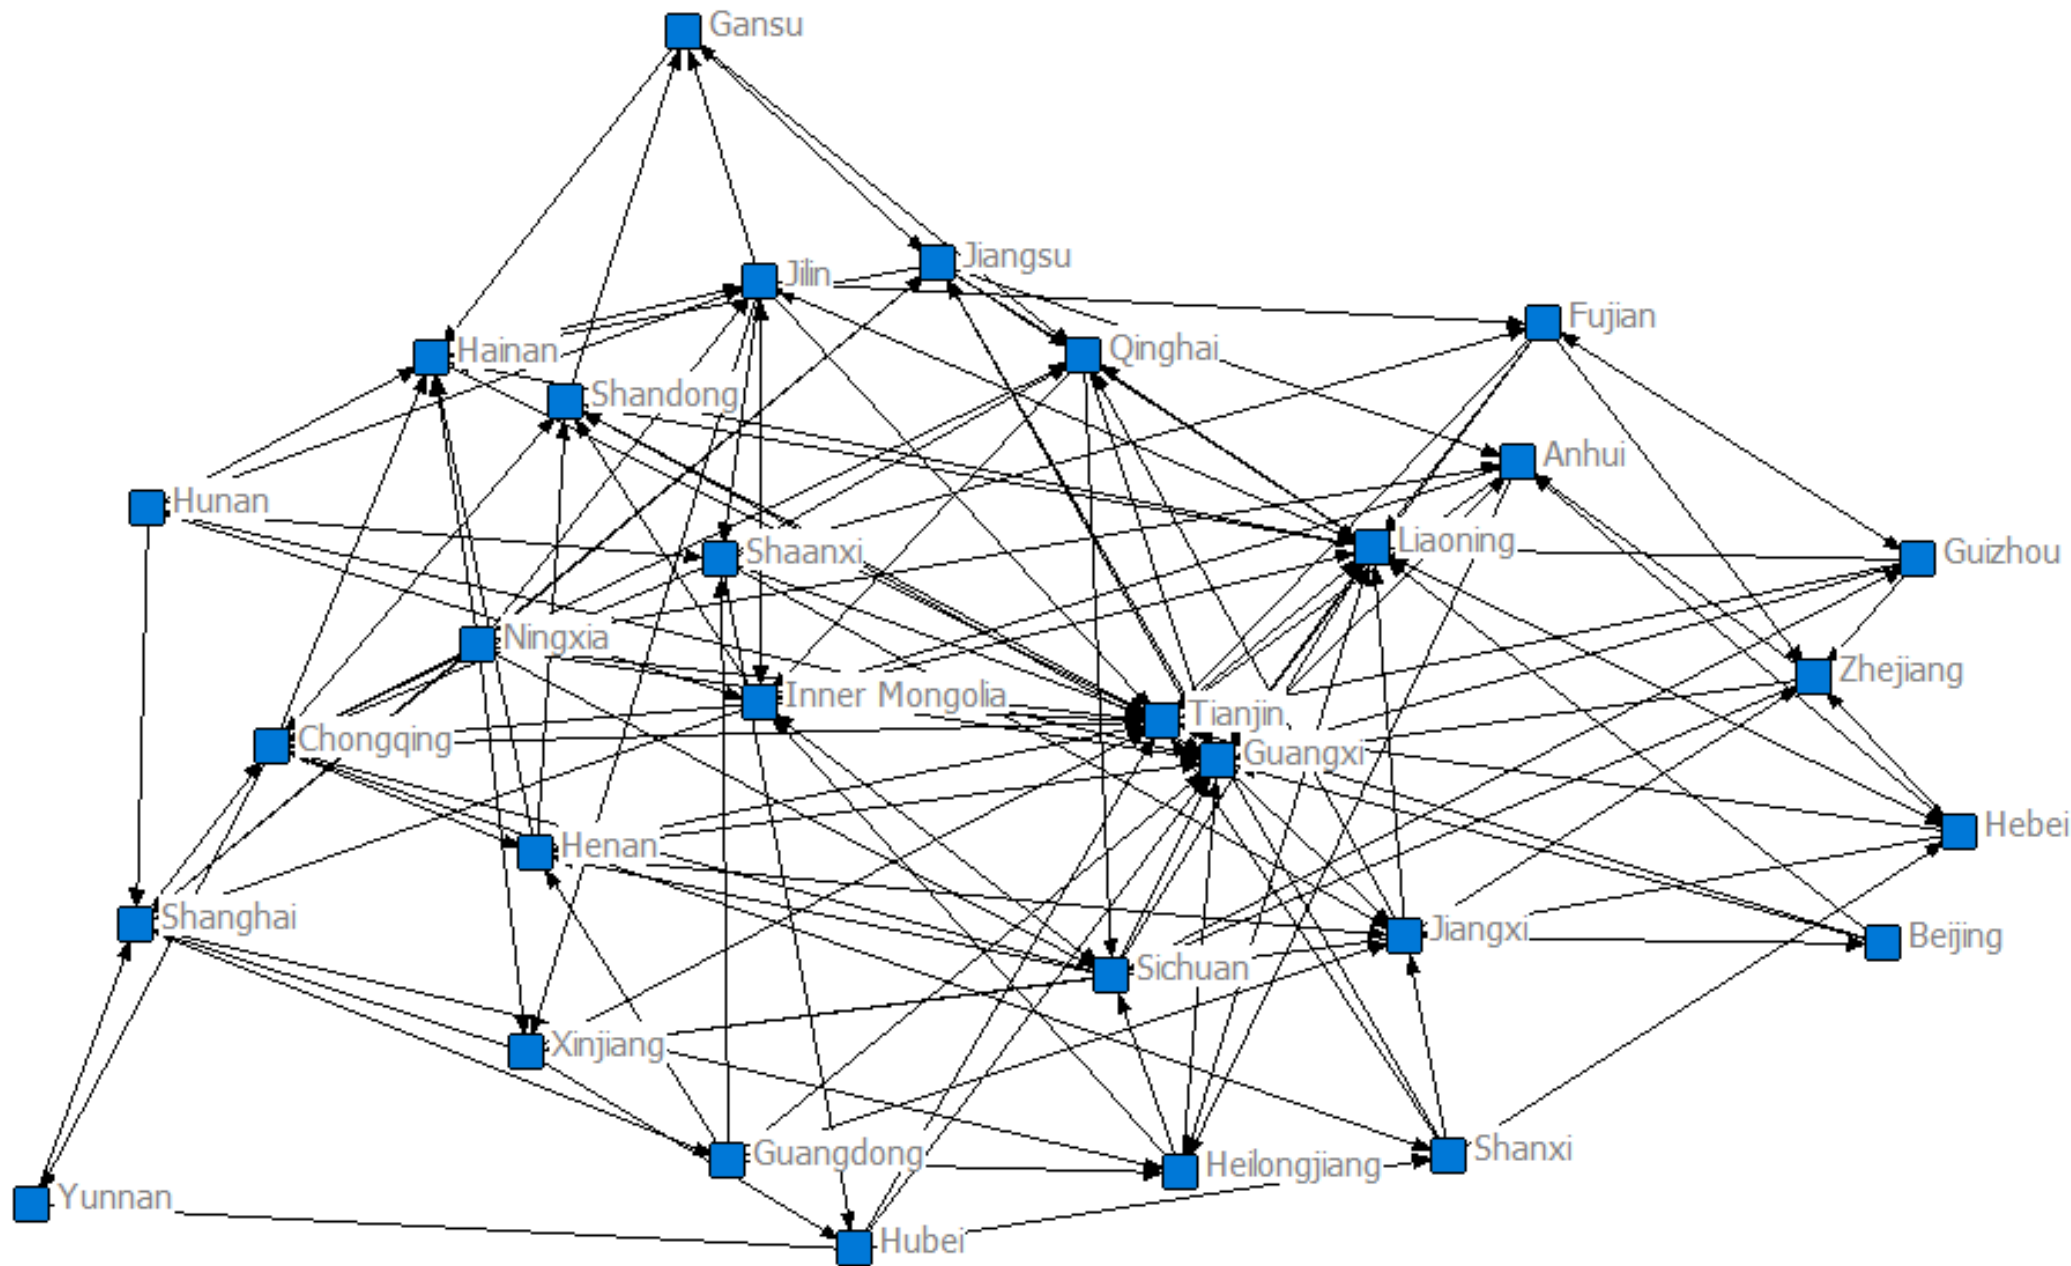

Carbon emission footprint spatial network in 2012

Carbon emission footprint spatial network in 2013

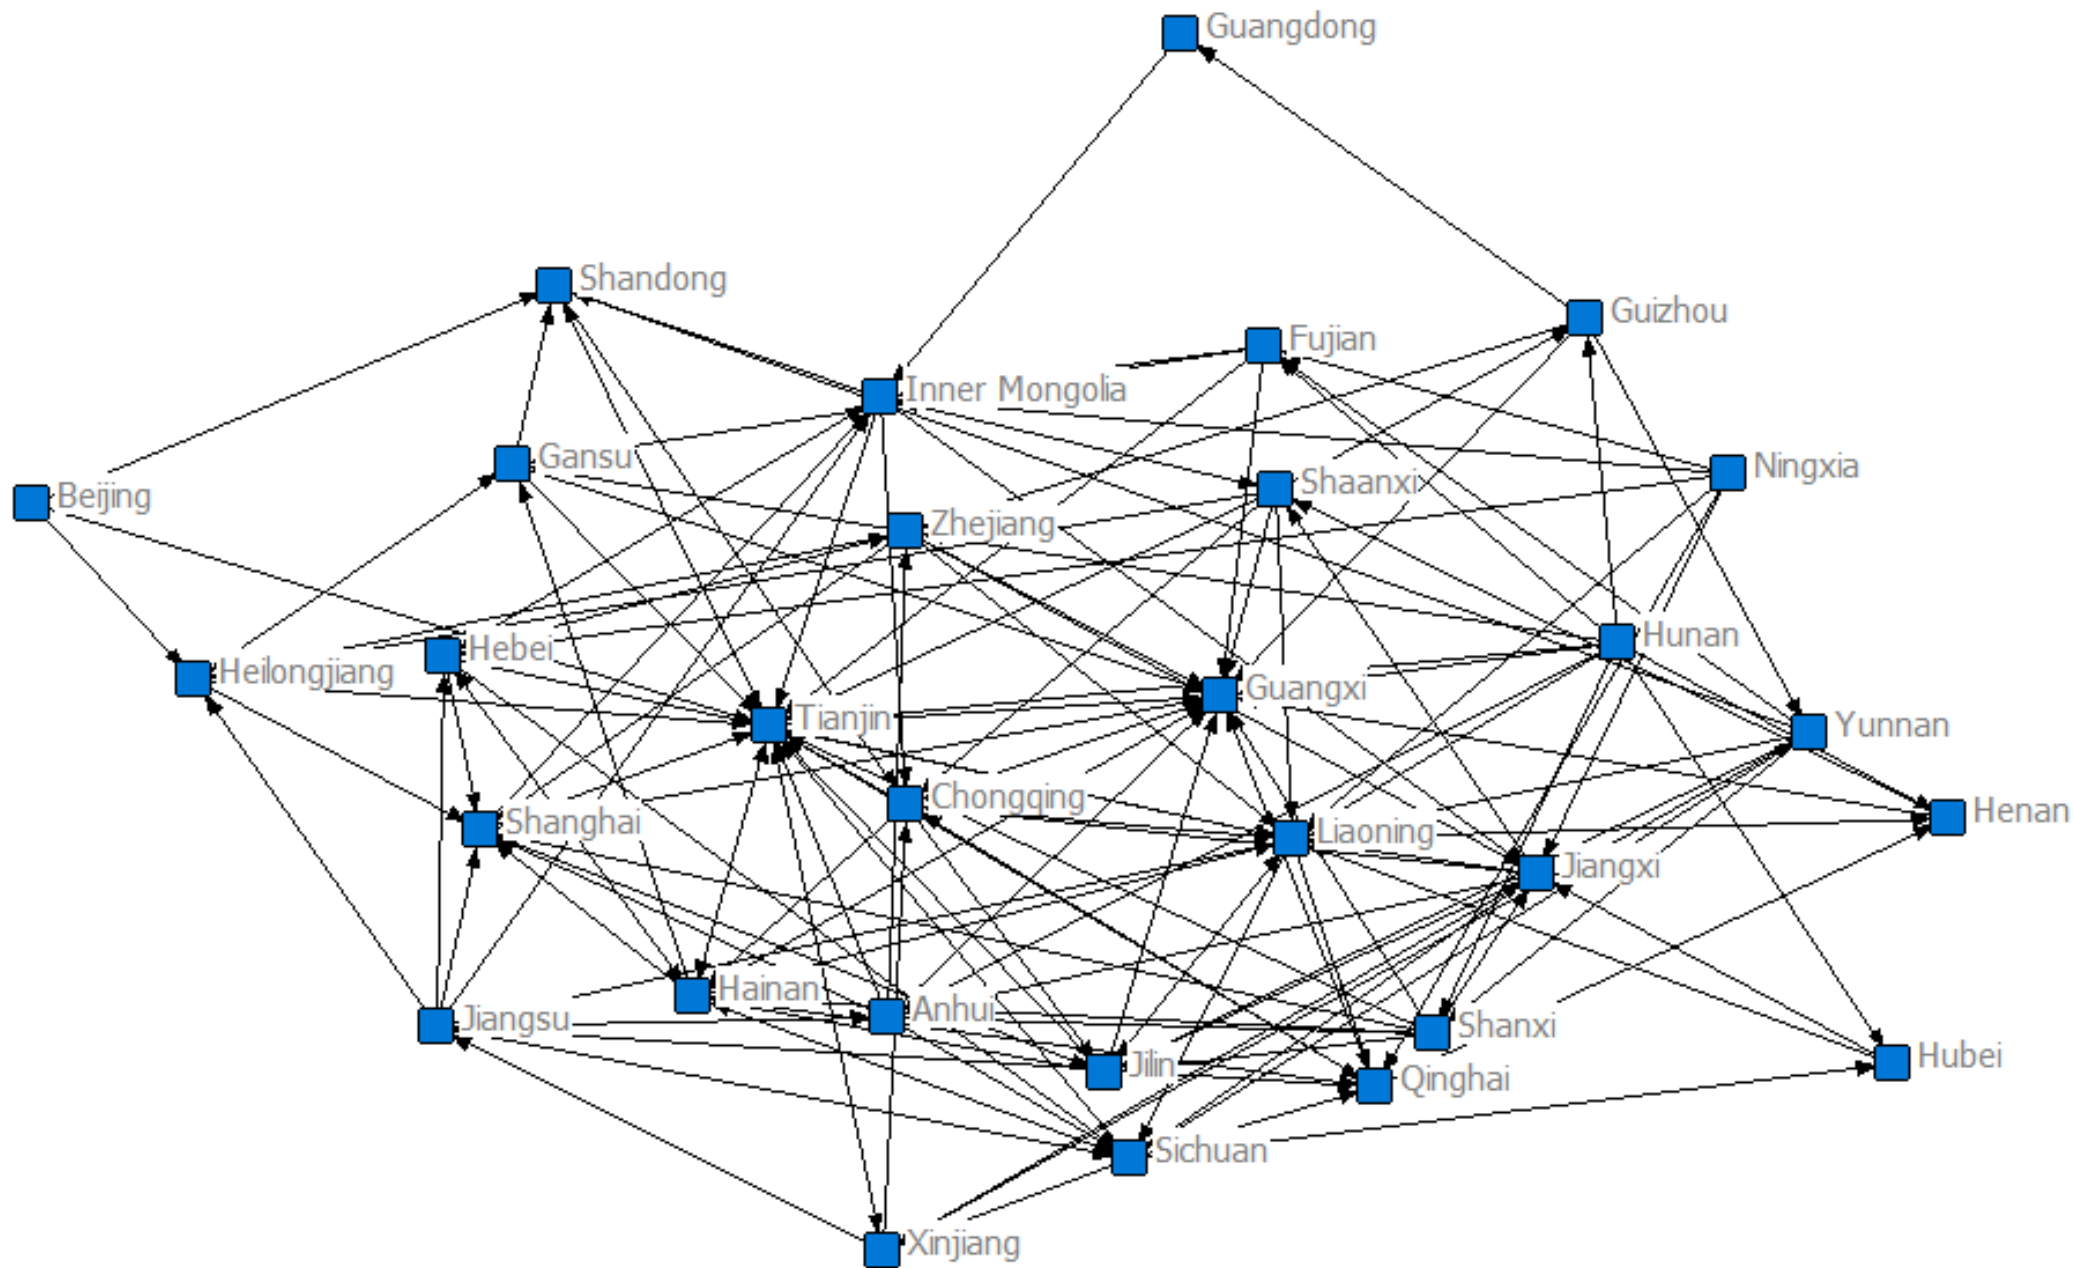

Carbon emission footprint spatial network in 2014

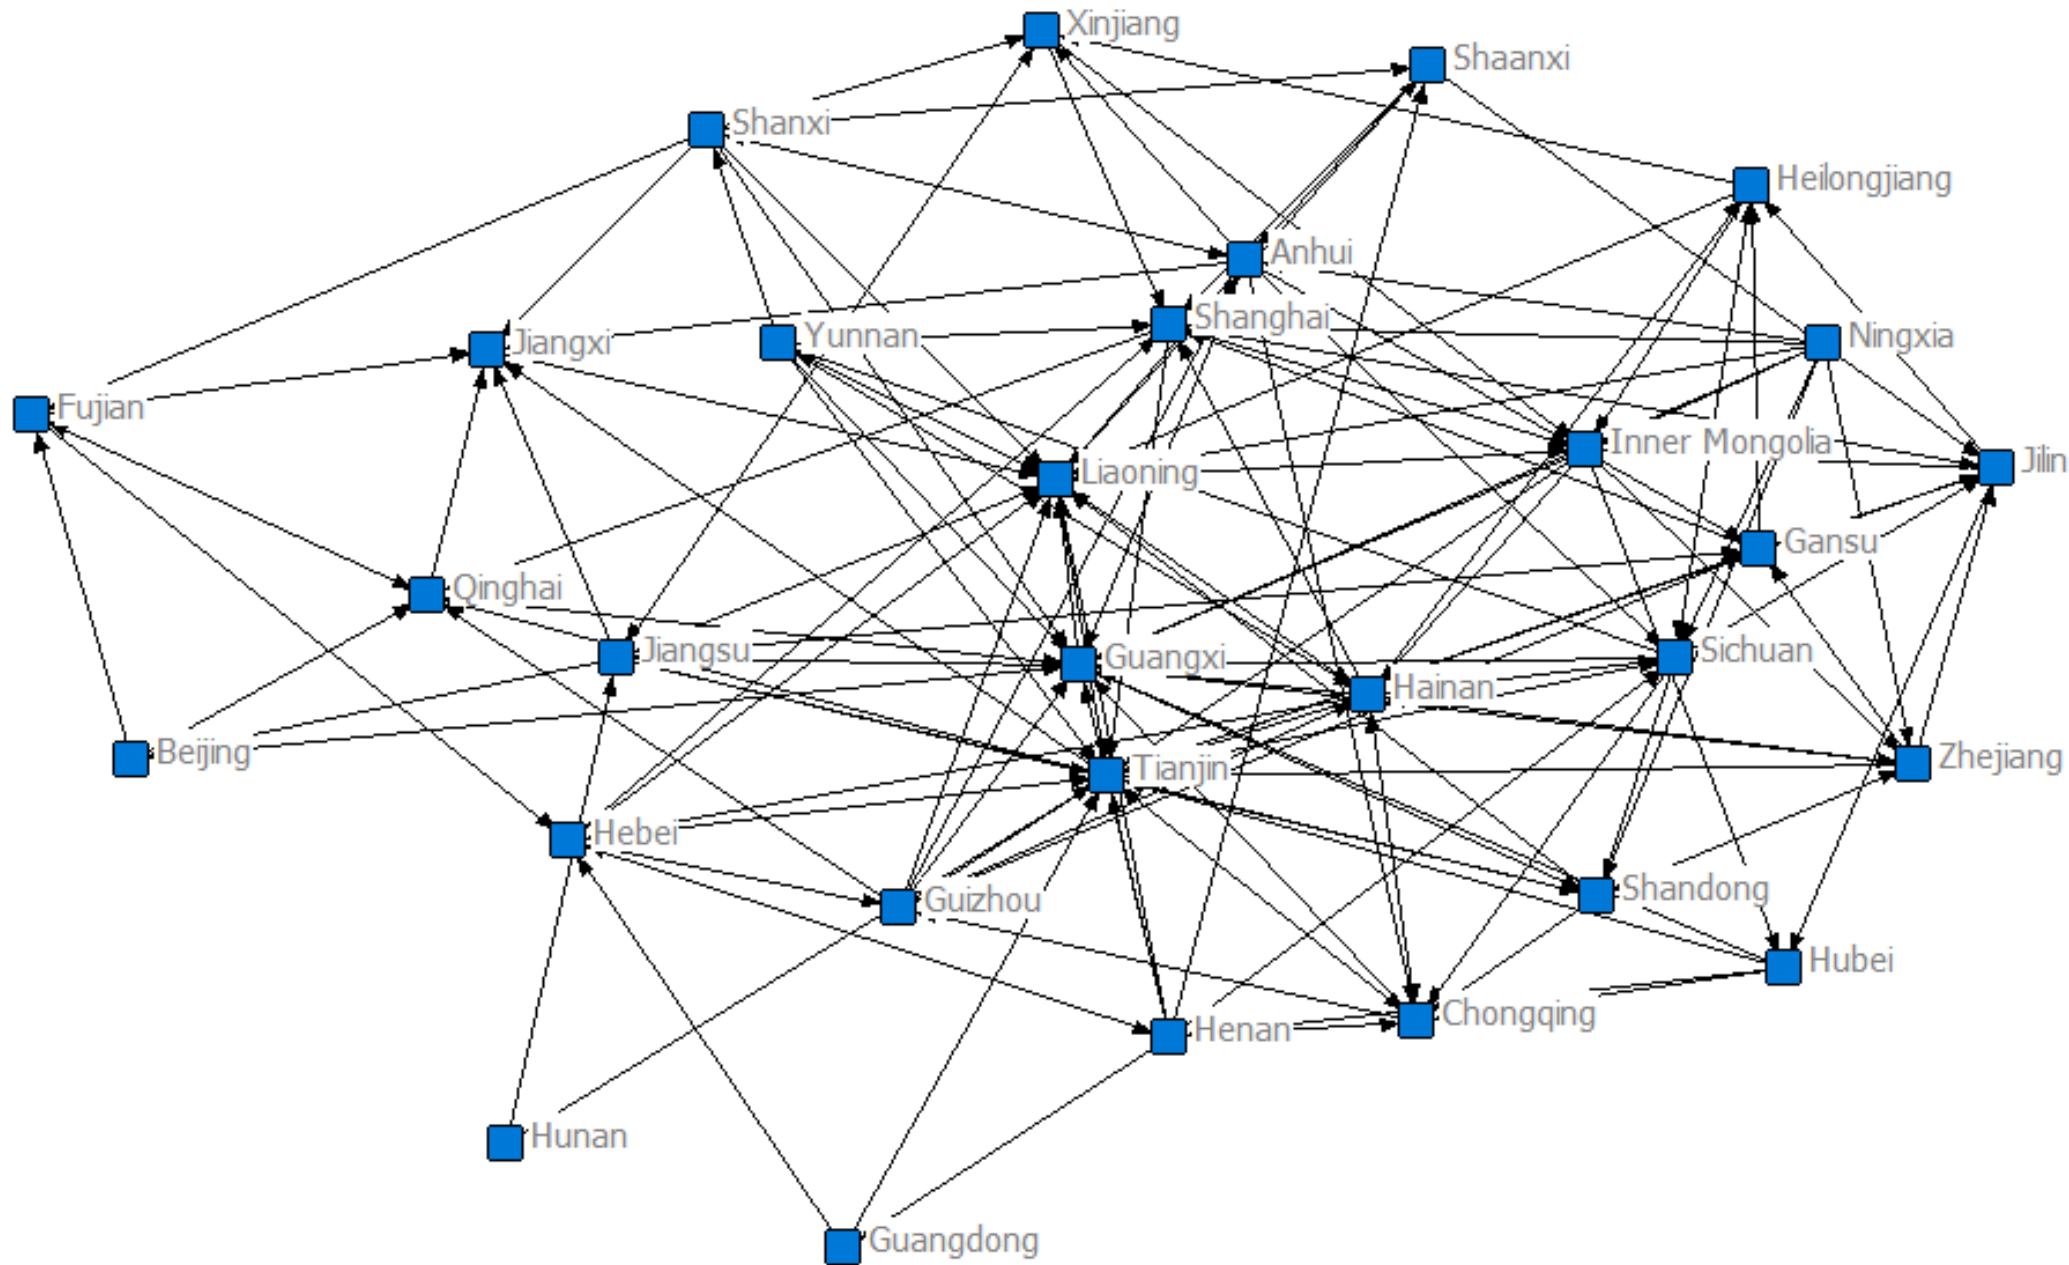

Carbon emission footprint spatial network in 2015

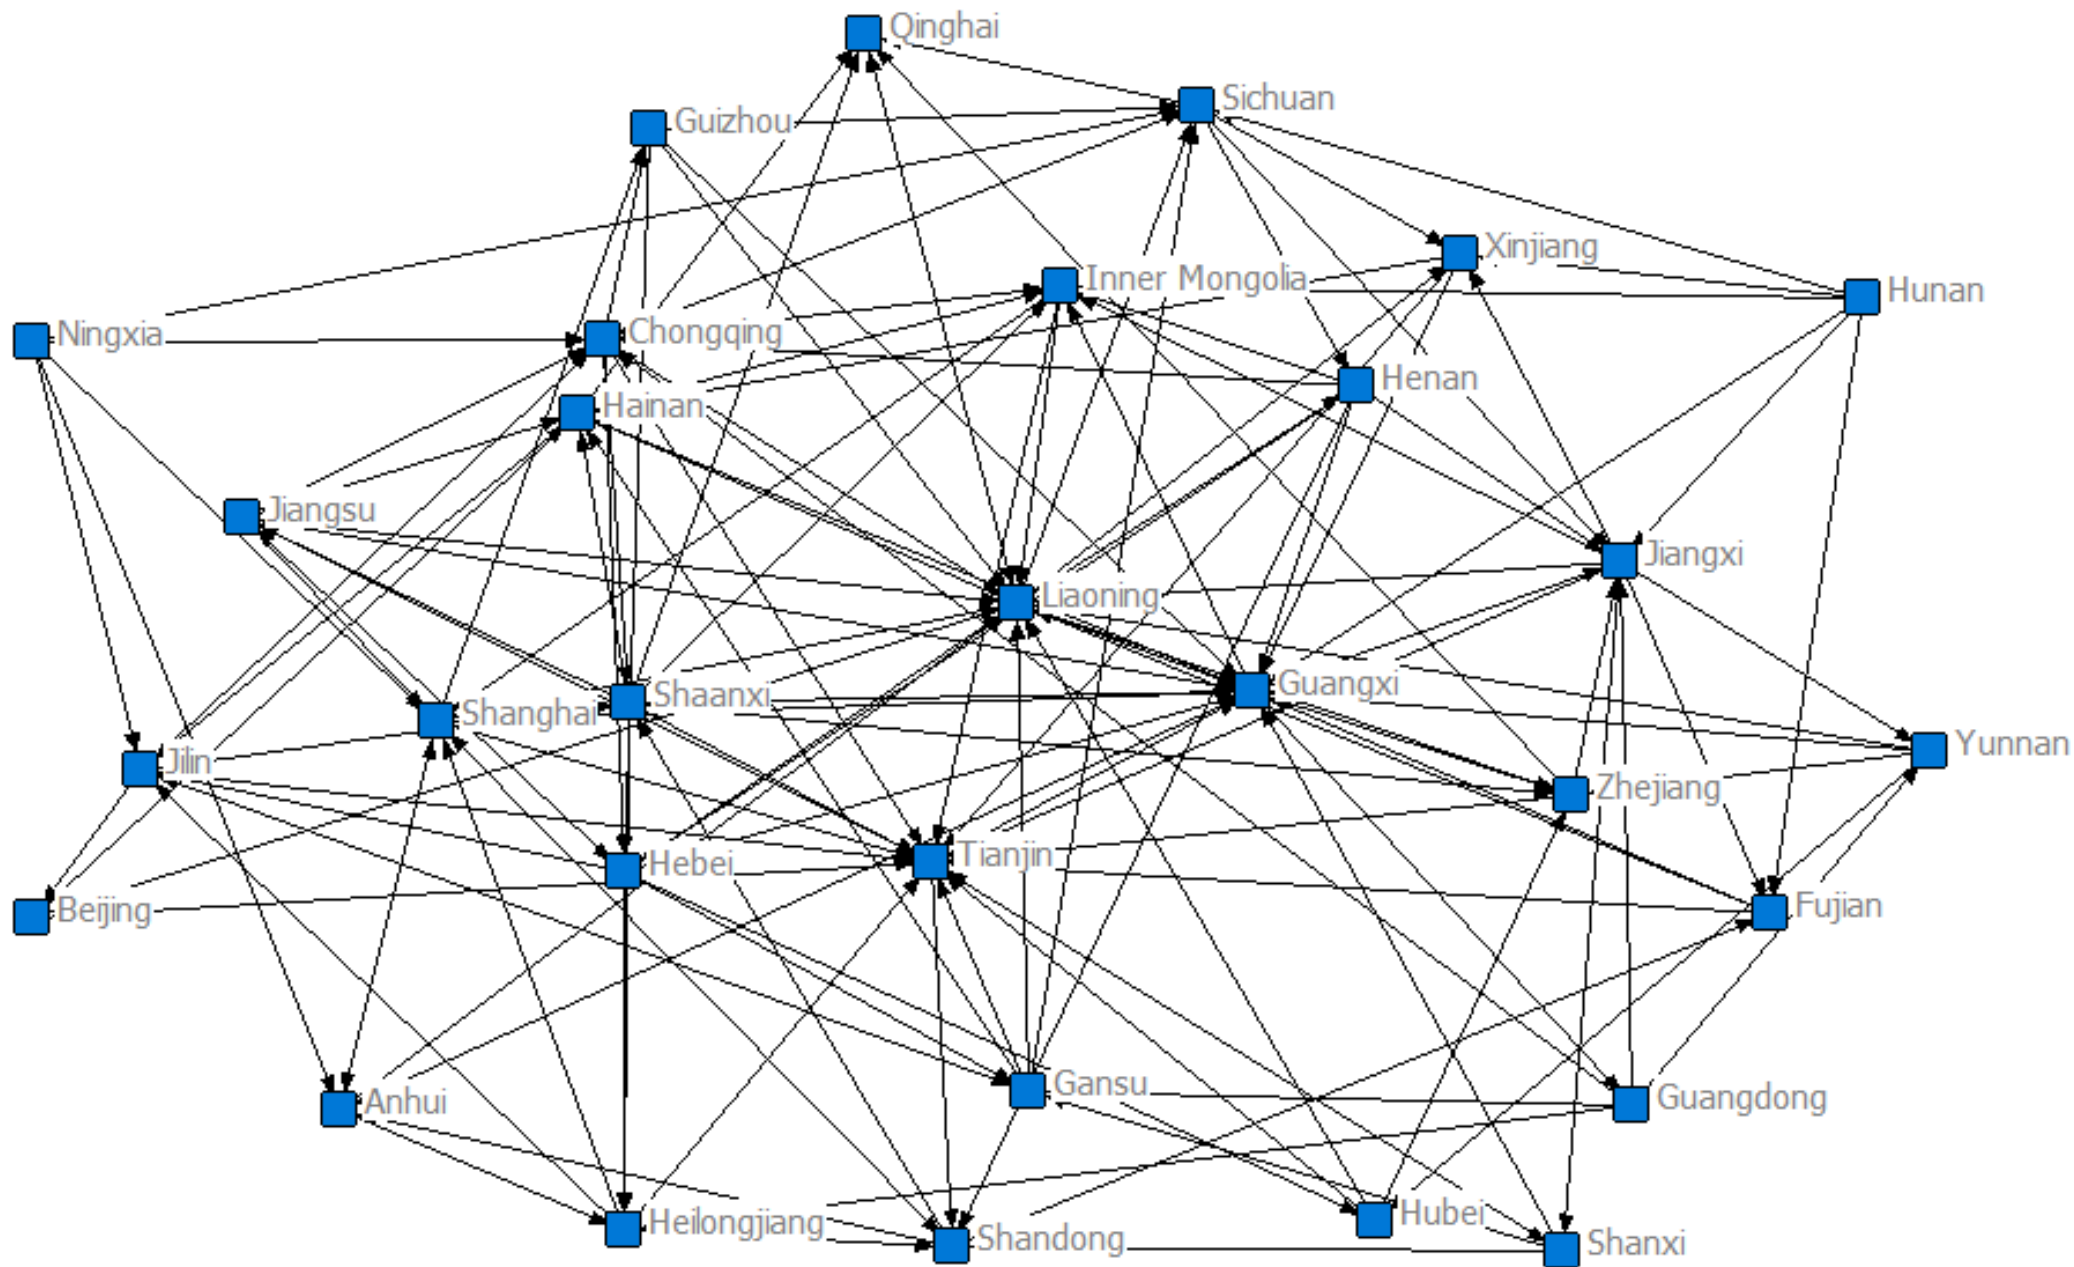

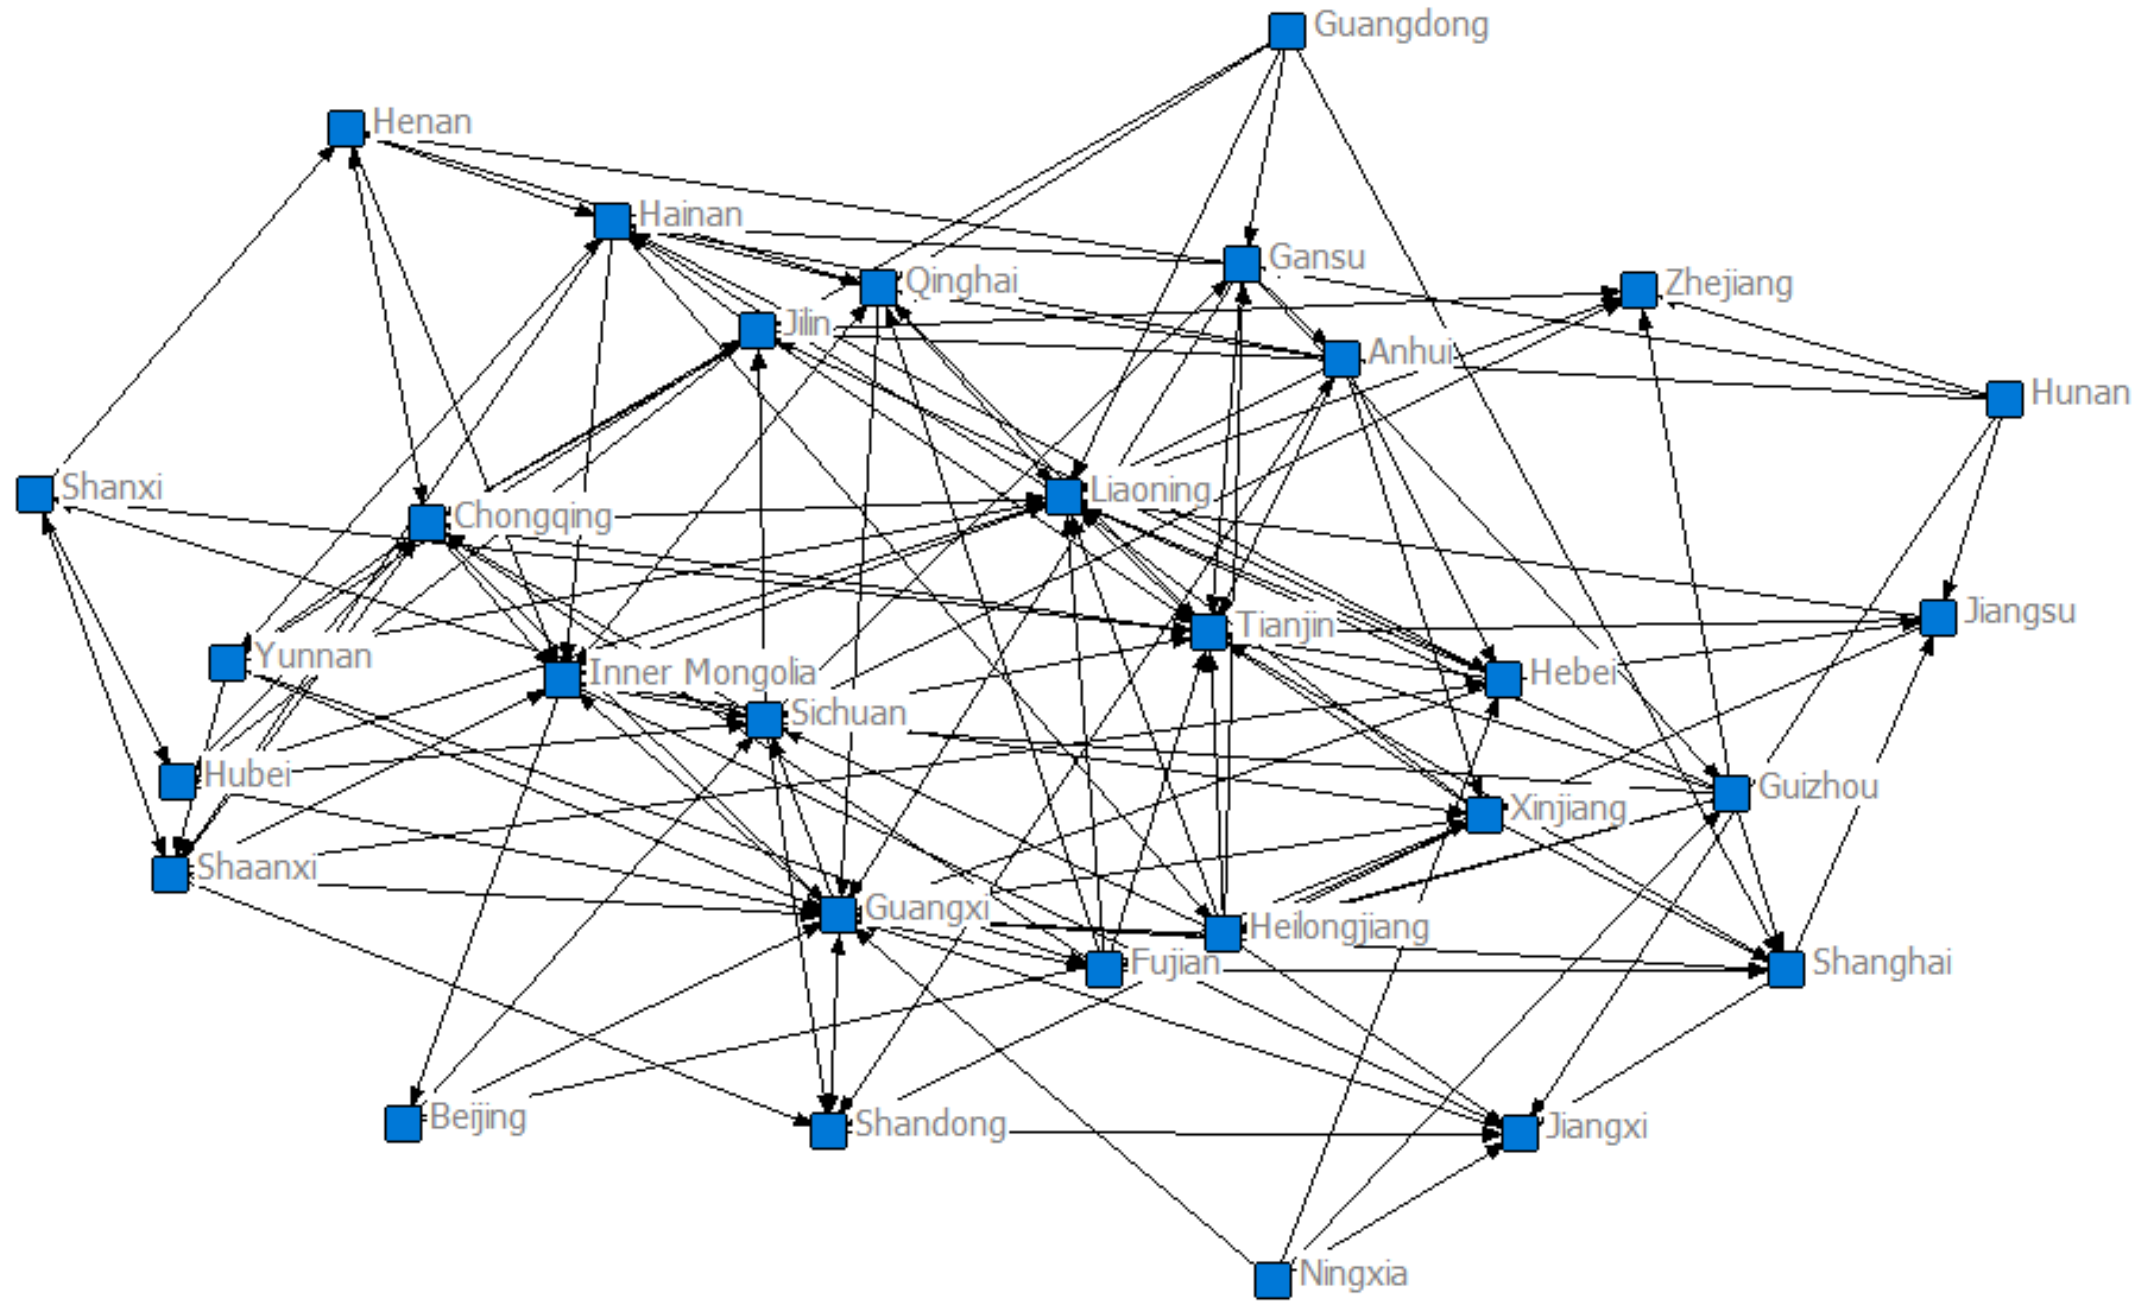

Carbon emission footprint spatial network in 2016

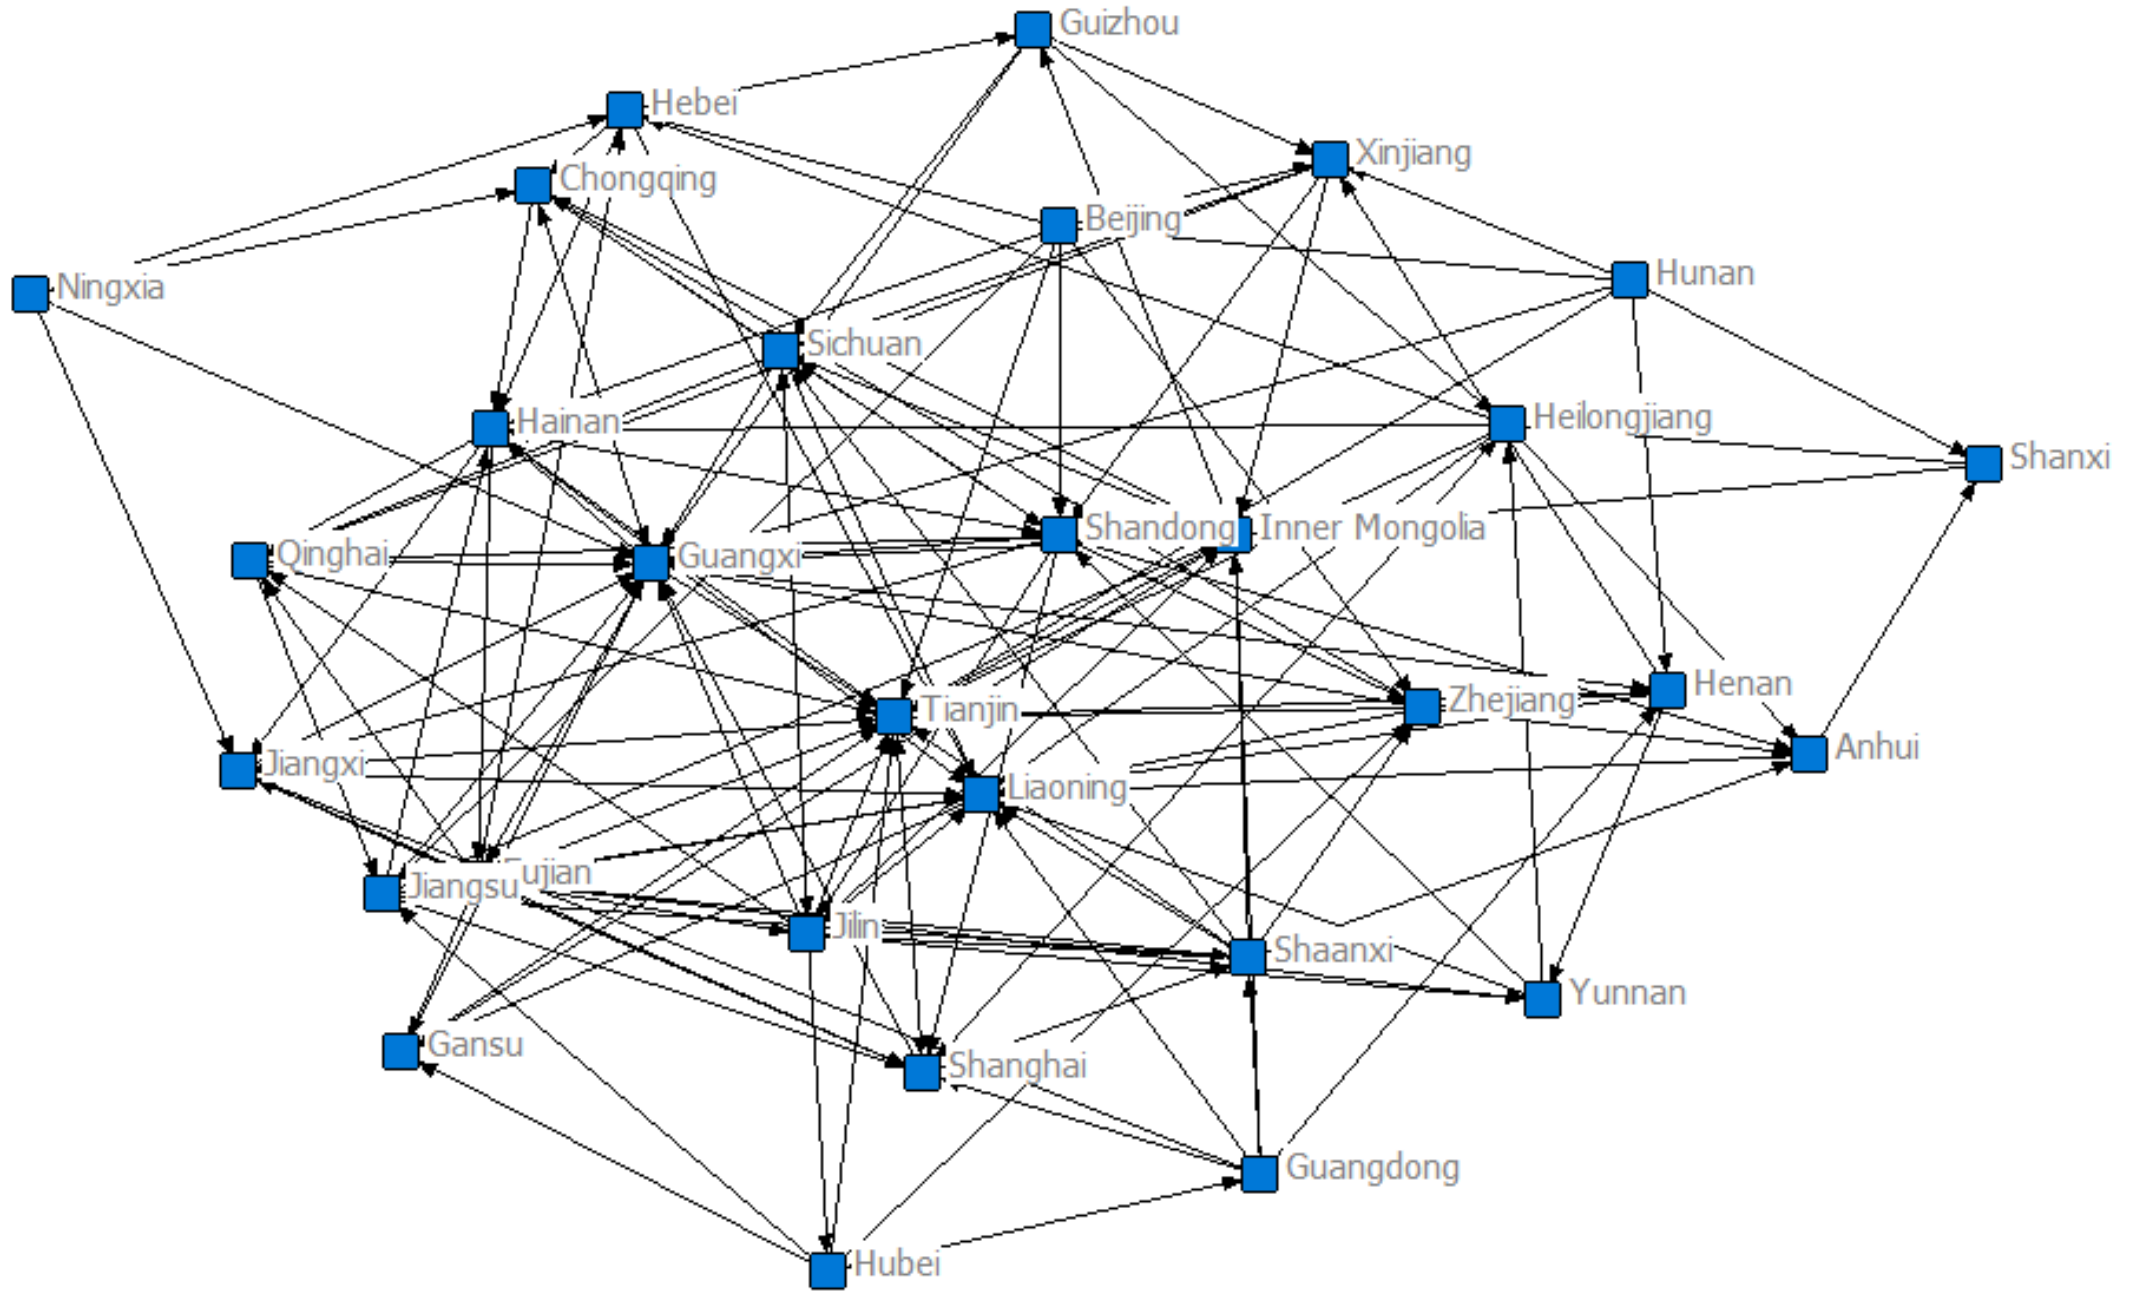

Carbon emission footprint spatial network in 2017

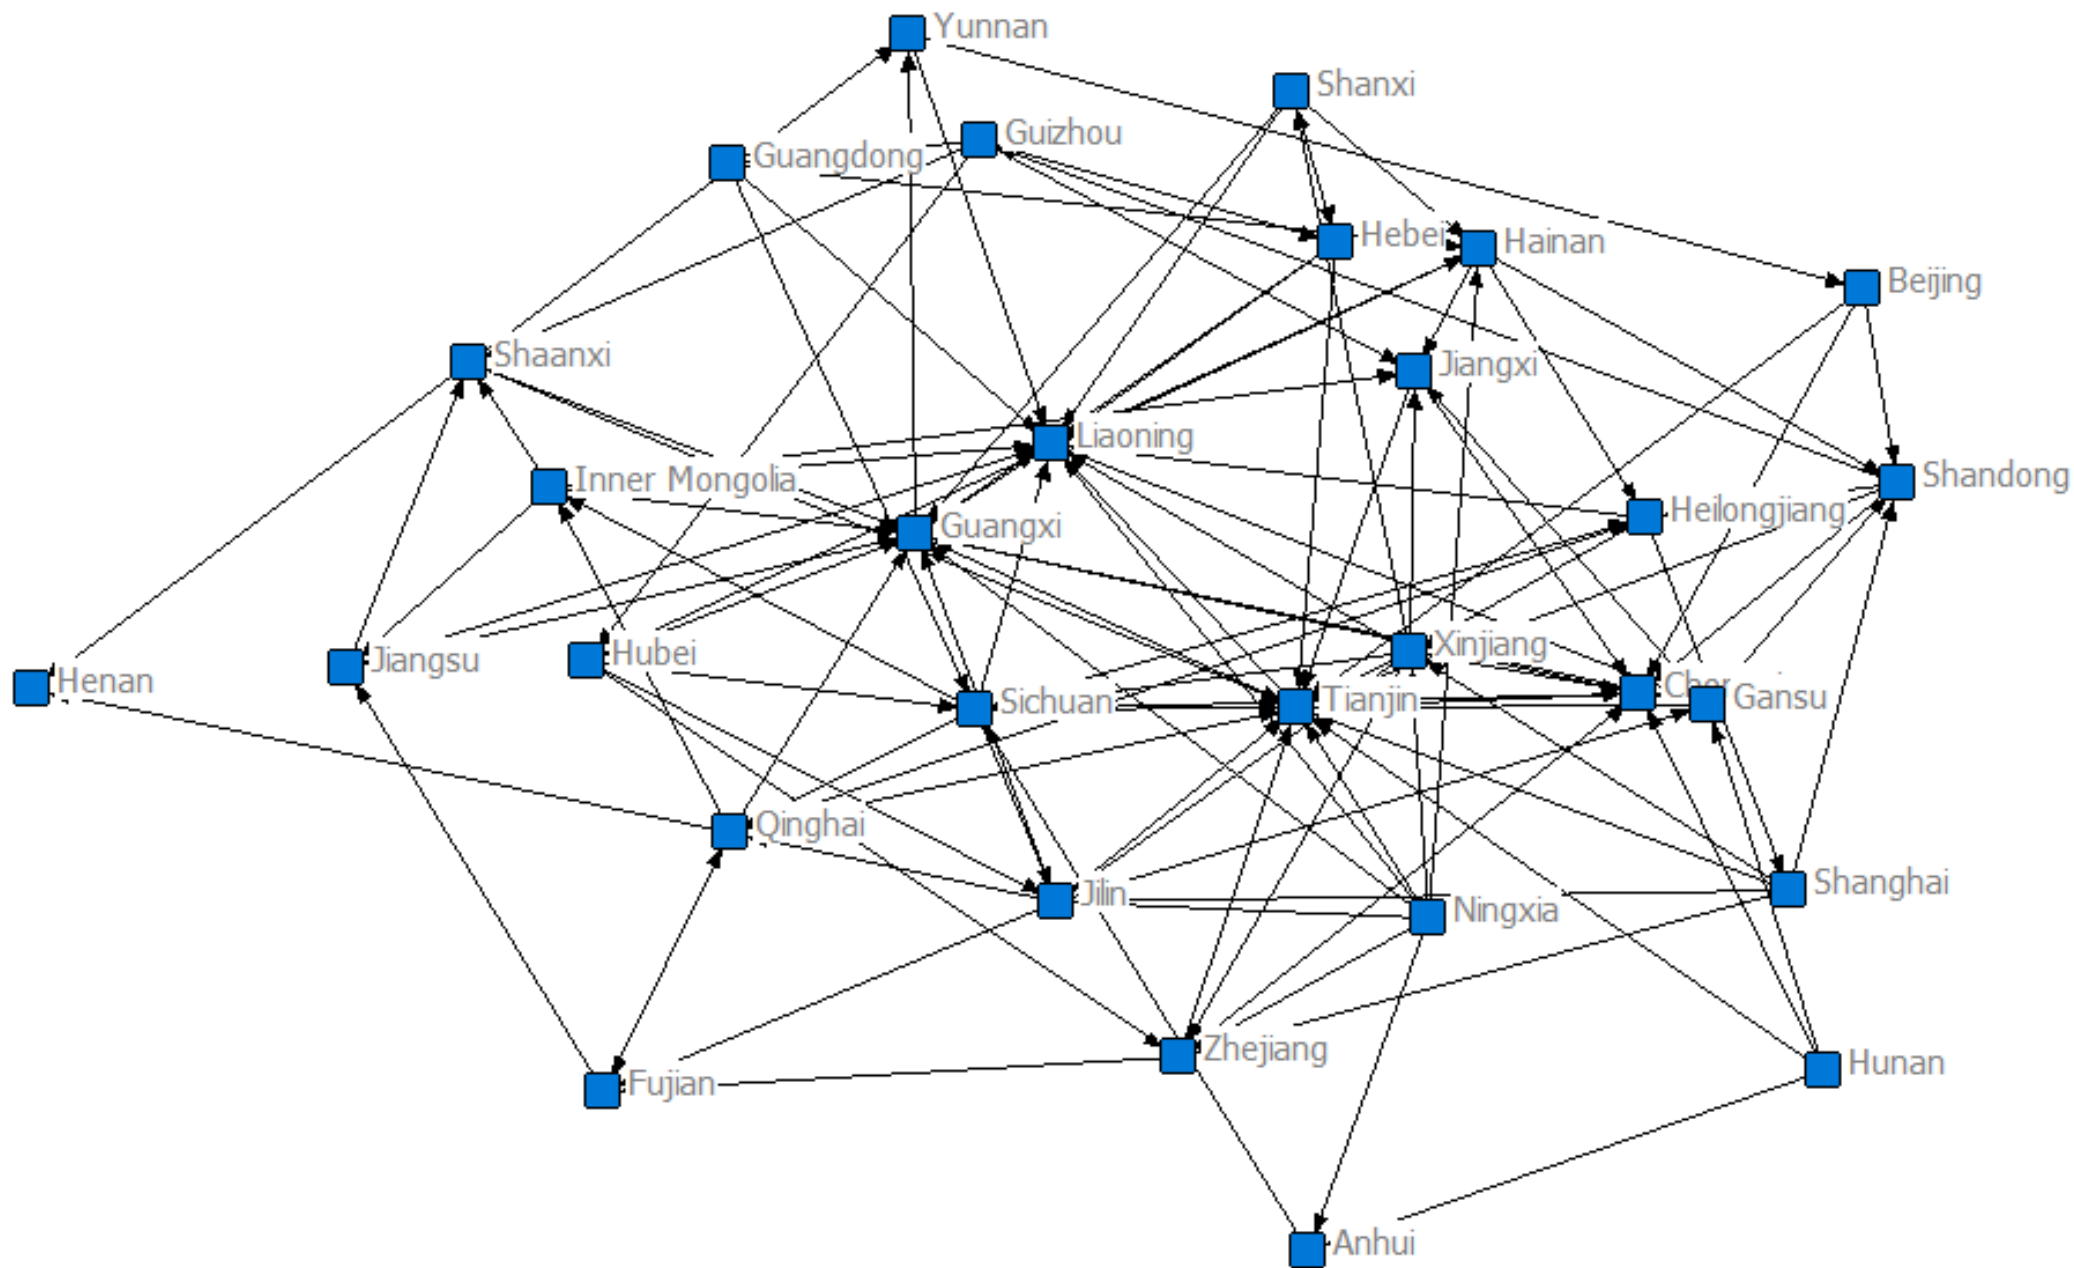

Carbon emission footprint spatial network in 2018

Carbon emission footprint spatial network in 2019

Carbon emission footprint spatial network in 2020

Carbon emission footprint spatial network in 2021
