This is an Erratum of the published paper: Isolation and analysis methods of extracellular vesicles (EVs).

The authors wish to make the following corrections to this paper<sup>[1]</sup>.

(1) In [Figure 7A](#), a reference is missing, and the authors want to update it as follow:

(2) The addition of a reference to the citation list:

203. He N, Thippabhotla S, Zhong C, et al. Nano Pom-poms prepared highly specific extracellular vesicles expand the detectable cancer biomarkers. *BioRxiv* 2021.

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. The original article has been updated.
