This is an Erratum of the published paper: Isolation and analysis methods of extracellular vesicles (EVs).

The authors wish to make the following corrections to this paper[1].

(1) In Figure 7A, a reference is missing, and the authors want to update it as follow:

(2) The addition of a reference to the citation list:

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. The original article has been updated.
Figure 7. (A) Transmission electron microscopy image of EVs (scale bar = 100 nm)\(^\text{[203]}\). (B) Scanning electron microscope image of EVs showing the EVs’ circular shape (reproduced from\(^\text{[261]}\)). (C) Scanning electron microscope image of EVs, which shows cup-shaped EVs (reproduced from\(^\text{[160]}\)). (D) Atomic force microscope image for EVs (reproduced from\(^\text{[156]}\)). (Figure 7A is produced from He et al.’s work with permission).
