

Prof. Ziqi Liang

Department of Materials Science, Fudan University, Shanghai, China

Ziqi Liang obtained his Ph.D. in Polymer Science in the Department of Materials Science and Engineering at the Pennsylvania State University in May 2006. He then pursued postdoctoral work at the University of Cambridge from May 2006–2008. In June 2008, he joined the National Research Energy Laboratory as a postdoctoral researcher, later to become Scientist III. In September 2012, he joined the Department of Materials Science at Fudan University as a professor. Currently, Prof. Liang's group conducts basic research on organic/perovskite semiconductors based opto-thermo-electronics. Prof. Liang has published ~100 papers with more than 6000 citations and an H index of 37.
